## **LOAN PROCESSING:**

Loans will be certified for the amount requested or for the amount you are eligible (if less than requested). If you are enrolled less than full-time, your cost of attendance is adjusted to reflect your actual credit hours enrolled and your loan eligibility may be reduced. **Any change in enrollment status after your loan is certified by the College may require further recalculation and revision of your original loan amount.** You will receive correspondence from the Direct Loan Origination Center that indicates the certified amount of your loan. If you submit a loan application prior to the tuition due date you will be held in classes. If you decide **not to attend ICC**, you must **officially withdraw** from your classes prior to the refund date(s) for your classes or you will be responsible for payment of your tuition. The refund dates for your classes are listed on your class schedule in eServices.

## **DISBURSEMENT OF FUNDS:**

- Federal Loan Regulations prohibit the disbursement of loan funds for first-time borrowers until 30 days following the start of the semester.
- Loans are disbursed in two payments during the loan period. A Fall/Spring loan will have one disbursement during each semester – one in the Fall and one in the Spring. A one semester loan (Fall, Spring or Summer only) will have two disbursements during the semester; the second occurring after midterm of the semester.
- Loan funds are received by ICC from the federal government and are credited directly to the student account. Charges owed to the College will be paid first and any excess funds will be refunded to the student.
- Loan refunds are issued no later than two weeks after funds are credited to the student account.
- Students have 14 days to contact the financial aid office after their loan is disbursed to their student account to request cancellation or reduction of their loan amount.

### ***The interest rate on Federal Direct Stafford Loans:***

Federal student loan interest rates are tied to financial markets. Interest rates will be determined each June for new loans being made for the upcoming award year, which runs from July 1, to the following June 30th. Each loan will have a fixed **interest rate** for the life of the loan.

**Loan Fees:** Current loan fees for loans disbursed prior to October 1, 2017 totals 1.069 percent of the total loan amount. New loan fees will be established for loans disbursed after October 1, 2017.

### ***Annual Loan Limits:***

<b>Dependent Students</b>	<b>Base Amount</b>	<b>Additional unsubsidized loan amount</b>
<b>Freshman</b>	\$3,500	\$2,000
<b>Sophomore</b>	\$4,500	\$2,000

<b>Independent Students</b>	<b>Base Amount</b>	<b>Additional unsubsidized loan amount</b>
<b>Freshman</b>	\$3,500	\$6,000
<b>Sophomore</b>	\$4,500	\$6,000

**These amounts are the annual maximums set by Federal regulations. Students attending Illinois Central College may not qualify for the total amounts if they are receiving grants, scholarships, work-study, waivers or other educational assistance and/or attending less than full-time.**

### **Aggregate (lifetime) Loan Limits:**

Undergraduate Dependent Students: \$31,000 (no more than \$23,000 of which can be subsidized)  
Undergraduate Independent Students: \$57,500 (no more than \$23,000 of which can be subsidized)

### **Time Limitation on Direct Subsidized Loan Eligibility for First-Time borrowers on or after July 1, 2013**

There is a limit on the maximum period of time (measured in academic years) that you can receive Direct Subsidized Loans. In general, you may not receive Direct Subsidized Loans for more than 150% of the published length of your program. This means your maximum eligibility period can change if you change programs.

### **SITUATIONS THAT MAY DELAY OR CANCEL YOUR LOAN:**

- **ENROLLMENT IN 12 WEEK and SECOND EIGHT-WEEK COURSES** may delay your loan until after these classes start.
- **A DECREASE IN YOUR CREDIT HOURS ENROLLED** after your loan is certified may require a recalculation of your loan eligibility.
- **DROPPING BELOW SIX (6) CREDIT HOURS** will result in cancellation of undisbursed loan funds.

### **WITHDRAWING FROM CLASSES (returning money to the federal government):**

If a recipient of financial aid withdraws during a period of enrollment, the college must calculate the amount of aid the student **earned** up through the date of last attendance. Unearned aid (including loans) must be returned to the federal financial aid programs (Title IV programs).

Federal financial aid (Title IV programs) include Pell grant, SEOG, Federal Stafford Direct Loan and PLUS loan programs. When a student withdraws before completing 60% of the semester, a calculation of return of funds will be performed to determine the amount to be returned. This is called **Return to Title IV**. When it is necessary to return loan funds, ICC is required to return the money to the federal government that was disbursed to the student and the student will then be required to reimburse ICC for the returned amount.

### **LOAN EXIT COUNSELING:**

Student loan borrowers are **required** to complete Student Loan Exit Counseling at the completion of enrollment (graduation or withdrawing). This is done online at [www.StudentLoans.gov](http://www.StudentLoans.gov) Student loans enter repayment six months after a student drops below 6 credit hours of enrollment.
