

# Illinois Central College Pathway to the University of Illinois at Urbana-Champaign

The **ICC Pathway to Illinois** program is an opportunity for qualifying ICC students to gain guaranteed admission to specific majors at the University of Illinois Urbana-Champaign. While planning their transfer, students will have access to University of Illinois resources.

## Program Guidelines

Students must be enrolled at Illinois Central College.

Admission is competitive to ensure that students entering the program are the most likely to succeed.

Students must enroll in the **ICC Pathway to Illinois** prior to completing 30 credit hours at ICC.

Students must complete 60 transferrable hours of college credit at ICC.

Students may terminate their participation in the program at any time.

*ICC Pathway to Illinois is but one way for students to plan their transfer program. U of I will continue to welcome ICC students' transfer applications to all colleges. ICC will continue to support students' efforts to transfer to any institution with a variety of resources.*

## Program Benefits

Students in the program will be able to gain admission to certain University of Illinois programs. After successful completion of the **ICC Pathway to Illinois**, participants will be guaranteed admission to specific correlating majors at the University of Illinois Urbana-Champaign. See the following link for a full list of eligible majors: <http://admissions.illinois.edu/academics/majors.html>

Guaranteed admission will be offered to participating students in an Illinois major if all requirements have been met as posted in the "Transfer Handbook": [transferhandbook.illinois.edu](http://transferhandbook.illinois.edu)

*The competitiveness of admission to certain programs will depend on the quality of the applicant pool which may vary from year to year. Participants must complete the same coursework as stated in the "Transfer Handbook" that is required of the transfer applicants by major. Dropping or failing to pass required course(s) will jeopardize program standing.*
