ICC Health Careers – Computed Tomography
Eligibility Checklist

This checklist is a tool to assess your eligibility to apply to the Computed Tomography program at ICC. To successfully apply to an ICC Health Careers program it is strongly recommended that you meet with a Health Careers advisor to determine your eligibility and for assistance with the application process.

I HAVE...

☐ 1. **Applied online to Illinois Central College (icc.edu)**
   
   *This is NOT the same as applying to a Health Careers program*

☐ 2. **Enclosed copies of my college transcripts**
   (including ICC transcript accessible through eServices)

☐ 3. **Sent official college transcripts** from the issuing institution to the ICC Health Careers department
   
   These must be sent no later than two (2) weeks after applying to a Health Careers program, OR enclosed in a sealed envelope from the issuing institution and submitted in the health careers application envelope.

☐ 4. **Successfully completed an accredited program** in radiologic technology, nuclear medicine technology, and/or radiation therapy technology

☐ 5. **Earned a grade point average (GPA) of 2.5 or above at ICC** (if you have attended ICC)

☐ 6. **Earned a GPA of 2.5 or above at the last college I attended** (other than ICC)

☐ 7. **Contacted program director April Tatham** to schedule an appointment (309/999-4600)

☐ 8. **Enclosed a copy of current certificate/license** from the state I reside in

☐ 9. **Enclosed a copy of current accreditation** from ARRT

☐ 10. **Met all eligibility requirements** and am ready to **submit this checklist** and all required documentation in the application envelope provided to me by my advisor

Application deadline is August 1 • NOTE: Incomplete applications will not be reviewed
