**INSTRUCTIONS/NOTES FOR EACH SECTION APPEAR BELOW**

**A.** College cumulative grade point average is calculated by all points earned divided by hours attempted for all college coursework you have taken. An official transcript(s) must accompany your application.

**B.** Points based on your ACT score (generally taken your junior year of high school) OR if you have a college degree or have completed specific coursework.

**C.** The point value you select should be based on the most recent grade you received in the specified course(s).

**D.** The point value you select should be based on the most recent grade you received in the specified course. In the case of "BIOL 205 + BIOL 206", grade is based on the average of the two.

**E.** Points based on a previous degree or certification in any health discipline.

**F.** In this category points are awarded based on your work and/or volunteer experience.

**G.** If you applied last year to the Occupational Therapy Assistant program and were qualified but not accepted, you will be awarded 5 points.

**H.** This is where you total up the points you have earned in sections A - G. (Note the maximum allowed for each section).

**I.** It is this number that will be a determining factor in your acceptance into the Occupational Therapy Assistant program.
