The level of available funding, number of students completing a survey, and simplification contributed to the determination of the flat rate of \$1000 for the award.
  - b. CRRSAA Act (HEERF II) - ICC established a sliding scale based upon official EFC status to adhere to the prioritization of need requirement. The awards ranged from \$800 to \$575 per student.

7. Students were notified via email of their eligibility and were given a list of frequently asked questions concerning the Emergency Financial Aid Grants. For the HEERF II and HEERF III awards, students who had a balance owed to the institution were asked if they would like to have the funds applied to their balance. Only those that affirmatively consented, had the amount applied to their outstanding balance.
