The Board

Introduction

This manual provides general information about Illinois Central College as well as an overview of the role of the Student Trustee. This guide serves to acclimate the student to their elected position.

Philosophy

ICC's purpose is to enable students to reach their educational potential, and to serve as a resource for the educational and cultural needs of the community.

Founded as a comprehensive community college in 1966 in response to the Illinois Master Plan for Higher Education, Illinois Central College was established to meet the post-secondary needs of the citizens of the District and to supplement the area schools and four-year colleges.

The College was formed on the belief that individuals have worth and dignity in their own right and should be educated to the fullest extent of their abilities and motivation. Education of each citizen creates a better community for all. The College strives to provide quality education appropriate to each individual's needs within the bounds of fiscal responsibility. Illinois Central College is committed to non-discrimination and equal opportunity regardless of age, race, gender, ethnicity, religion, or physical capability. We believe that by representing the diversity of our district, we enrich the learning experience and create a broader and better understanding of our global community. In support of building and learning environment, we are dedicated to being the leader in recruiting, retaining, and promoting a diverse group of students, faculty, and staff.

The student is the center of all that is done at Illinois Central College. The College strives to provide students the knowledge, skills, and understanding for successful and satisfying careers and for intelligent participation in and preservation of a free and democratic society. This includes the development of a higher sense of values and the desire for continuous education throughout life. To achieve these purposes, the College encourages excellence in teaching and close communication between instructor and student.

The College is also committed to its Core Values: Learning, Integrity, Responsibility, Community, and Excellence.

Student Trustee

Student Trustee History

ICC truly values the perspective of the student body.

The Student Trustee position was established in October 1974 through an amendment to the Public Community College Act. Each community college should have one student member under the jurisdiction of the Board. They are elected by a campus-wide referendum for a one-year term beginning April 15 and ending April 14 the following year. The Student Trustee membership privileges include the right to make and second motions and attend closed session.

In November 1994, the ICC Student Trustee was granted an advisory, non-binding vote on all voting issues by the Board of Trustees.

Illinois Central College truly values the perspective of the student body. The Student Trustee has been invaluable to the Board as a reflection of the students' position on institutional issues.

Election Process and Seating

Every spring semester, the student body elects a student trustee for the coming year in a campus election. In order to become a student trustee, you must (1) meet the eligibility requirements, (2) file a completed student trustee election packet, and (3) receive enough votes from the student body in the general election.

The eligibility requirements include: being enrolled in at least six credit hours at ICC during each semester (fall and spring); maintaining eight office hours monthly; working with the Manager of Student Life on a monthly report showcasing activities in Student Life; submitting a monthly report; establishing a good working relationship with the SGA Advisor and SGA members; following Student Conduct Code; in good standing (academic and judicial) at ICC; attending SGA meetings every first and third Wednesday or Thursday at 3 p.m.; attending the Board of Trustees meetings at 5 p.m. on the third Thursday of each month (the date is subject to change and a typical board meetings last 2-3 hours), Board Retreats (held twice a year) as well as other board-related events, as requested.

Students interested in running for student trustee must complete and submit to Student Life, Room 303A, the attached Declaration of Candidacy, Candidate Profile Sheet, and Nominating Petition by the deadline noted (early submissions are encouraged).

Names of eligible candidates will be placed on the ballot in alphabetical order. Candidates should schedule a time for a picture to be taken. The pictures will be displayed on the election website along with excerpts from the candidate profile

sheets. Proofreading your Candidate Profile sheet is strongly recommended.

The student trustee is elected by a campus-wide election. All voting will occur online via the ICC website. Online voting will be accessible beginning at 8:00 a.m. on the first election day, through 11:59 p.m. on the final election day. A stationary polling place will be in the Atrium on the East Peoria Campus from 8 a.m. to 4 p.m. on election dates. Eligible voters may also vote online at any computer with internet access. All bona fide registered students at Illinois Central College, full time or part time, shall be eligible to vote in the campus-wide election for student trustee.

Campaigning may begin after the designated campaign start date, but not before the full election materials are submitted and approved by Student Life. Each candidate may request from Student Life up to 50 flyers (8.5" x 11"). Candidates must submit originals to Student Life at studentlife@icc.edu for approval no later than two weeks before elections. Candidates may also supply for themselves flyers, hats, handbills, balloons, or other visual means to campaign. All campaign materials **must be approved** by Student Life prior to use. All candidates will be notified of all approved campaign materials via their ICC student email addresses. All campaigning, including that on social media, should be in accordance with ICC's Student Code of Conduct. Candidates may be held accountable for any violation of the Student Code of Conduct, including, but not limited to, disqualification.

Candidates may campaign on the days of election in preassigned areas only. Preassigned campaign areas may not be used or solicited as polling places. Candidates are responsible for making sure that students do not vote while at their pre-assigned campaign station. Verbal solicitation of votes or campaigning materials of any kind are prohibited at polling places and shall not be directed at students who are in the process of voting. A polling place is defined as anywhere where a student may cast a vote.

Failure to comply with these election rules will result in the candidate being held accountable for their actions, including, but not limited to, disqualification for the duration of this election cycle. Candidates are responsible for the actions of those campaigning on their behalf. If a candidate(s) believes another candidate(s) has committed a violation, an Election Complaint Form must be filed with Student Life the day of the alleged violation and no later than the conclusion of voting.

Representing the Students

The Student Trustee is encouraged to consider the impact of any given issue on the student body as a whole.

The Board of Trustees is the foremost policy-making body at Illinois Central College. All issues concerning the general operations and academic activities of the college fall under the board's umbrella of authority. These issues range from changes in tuition to compensation practices for employees, from approval of academic programs to property development on campus. Because its decisions impact so many people, the Board of Trustees has a very influential role. The Board of Trustees has the responsibility to preserve the positive qualities of the college with an eye on the future implications of its decisions.

The Board of Trustees is a group made up of distinguished citizens from across central Illinois and a student trustee. A trustee represents diverse interests yet works together with the board to accomplish common goals for the college. Much care, research, and cooperation are necessary in order to create sound policies for the entire campus community.

The student trustee brings a unique, student perspective to the Board, but he/she is also expected to represent the College as a whole – not just a vantage point. The role of the student trustee is a dynamic position that calls for self-motivation and a desire to serve. Similar to any student office, or professional position, the student trustee has the choice to make the most of the opportunities associated with this position.

The student trustee position is one of the most exciting and career-enhancing opportunities available at Illinois Central College. As the student serves the college, he/she is exposed to a variety of complex issues. Dealing with such issues on a regular basis allows the student to gain valuable "real world" experiences that may give him/her an advantage when competing for scholarships and employment opportunities. The student trustee interacts with central Illinois community leaders from a variety of fields.

Code of Conduct

The ICC community has established as its core values Learning, Community, Integrity, Responsibility, and Excellence. As a member of the ICC community, the Student Trustee is responsible for upholding and living by the core values. Trust and honesty are also the cornerstones of our college.

As the student member of the Board of Trustees, the Student Trustee is expected to conduct them self in a manner suitable and representative of the position. The Student Trustee is entitled to the same rights and responsibilities of all students as outlined in the Student Handbook. The Student Trustee is also expected to conduct themselves appropriately within the academic community; thus, as the student representative of Illinois Central College you are obligated to the same general standards of conduct both on- and off-campus. Failure to conduct yourself to the established standards for students and the Board of Trustees may result in disciplinary action leading up to and including dismissal from the Board of Trustees.

Vacancy

STEP 1

In the event of a vacancy of the Student Trustee position on the Board of Trustees, the Vice President of Student Success in concert with the Office of Student Life, will invite candidates to apply for the position. Any candidate from the original ballot will be invited to automatically be one of the finalists or consideration. Other candidates will be solicited from the various clubs, organizations, and student groups.

STEP 2

Students interested in becoming a candidate must submit a letter of application indicating their academic background, goals, reasons for seeking the position, involvement activities, and strengths they bring to the position.

STEP 3

A committee will be formed consisting of three students, one faculty/staff member of the College, and the Manager for Student Life. The committee will review the letters of application to identify the top two to five candidates. The committee will then conduct interviews of the final candidates.

STEP 4

The committee will make a recommendation to the Vice President of Student Success who will in turn make a recommendation to the President of the College. The President will make the final recommendation to the Board of Trustees.

Board Meetings/Packets

*Information contained
in Board Packets is
confidential in nature.*

Board of Trustee meetings are scheduled for the third Thursday of every month at 5:00 p.m. in the Founders Room, room 211, unless otherwise indicated. All Board meetings are public and formal in nature; therefore, professional attitudes and attire are expected. The Student Trustee will receive a Board Packet prior to the meeting date. Reviewing the packet materials is important. Questions or concerns should be addressed to the Vice President of Student Services prior to the Board meeting. The Student Trustee will schedule a regular meeting with the Vice President prior to and following each Board meeting to address these issues. A sample Board meeting agenda is included in the appendix.

Board meetings usually will include *Closed Sessions*. During Closed Sessions the Board members deal with issues pertaining to litigation, the purchase of land, contract negotiations, student conduct, and personnel issues. Discussions and minutes of Closed Session meetings are to be kept in strict confidence. Meetings typically last two to three hours.

Board Meeting Attendance

Attendance at Board Meetings and the annual Board Retreat is an expectation for the Student Trustee. Extenuating circumstances may arise that prevent attendance. If this should occur, the Student Trustee should notify the Secretary, President, or the Board Chair as early as possible.

State Involvement

The Student Trustee is encouraged to be involved in statewide associations to become well versed in the issues and topics affecting post-secondary education. The Student Trustee will have an opportunity to become involved in the Illinois Community College Board Student Advisory Committee (ICCB SAC). Additional information will be provided.

Student Trustee Travel

Pre-approval travel expenses will be paid by the College

Arrangements for travel by the Student Trustee will be made through the Secretary to the Board of Trustees. Pre-approved travel expenses will be paid by the College.

Conference and Meeting Policy (Travel)

Travel related expenses for business conducted on the College's behalf by the Board of Trustees and the President of ICC should be reimbursed consistent with the guidelines established for all ICC employees. Generally, the policy states that the business-related expenses would be reimbursed at a reasonable actual cost while the ICC official is on College business.

A travel reimbursement form or a Conference and Meeting Request form should be completed for each individual claiming reimbursement. The proper supporting documentation (receipts) should be attached to the form for expenditures claimed and then submitted to the Secretary of the Board of Trustees.

Meal Lodging Allowance

The College will reimburse meals at reasonable actual cost while the official is on College business. Documentation (receipts) is encouraged for all expenditures but **required** for individual items over \$25.00. The following points should be observed:

- To obtain reimbursement, each meal must be individually itemized.
- Group meals should include a list of all attendees and purpose of the expenditure.
 - Breakfast is reimbursable when an official has been away from his/her residence overnight or is required to leave for the travel destination at or before 7:00 a.m.
 - Lunch may be reimbursable when the official is conducting business away from his/her workplace between 10:00 a.m. and 2:00 a.m.
 - Dinner is payable when an official is required to be away from his/her residence overnight or is required to leave for the travel destination at or before 6:00 p.m.
 - The College generally will not reimburse officials for entertainment or incidental expenses.
 - Expenses incurred relating to spouses of ICC officials are not reimbursable unless approved in advance by the Board Chair.

Travel Advances

*Final accounting for travel
advances
should be submitted
to the Board Secretary*

In the event a travel advance is requested, prior approval by the Board Chair, or designee, is required. The amount of the request should represent, at maximum, a reasonable estimate of expected "out of pocket" business expenses for the pending travel. All properly supported and authorized advance requests will be processed by Accounts Payable within ten business days of receipt.

College officials requesting an advance or reimbursement for travel expenses must complete a Conference and Meeting Request form. **Final accounting for travel advances should be submitted to the Board Secretary or designee no later than five (5) working days after the trip.** Any travel advances not accounted for after five (5) days may prevent disbursement of additional travel funds.
