ADMISSION

Cooperative Educational Agreements

All New* Working cooperatively with other Illinois two-year colleges, Illinois Central College participates in the Comprehensive Agreement Regarding the Expansion of Education Resources. The intent of this agreement is to expand the career and technical educational programs that are provided to students within District 514, as well as offering our programs to Illinois students from outside District 514.

The Comprehensive Agreement Regarding the Expansion of Education Resources reduces the student's tuition obligation to the current in-district rate of the receiving institution.

The agreement works in two ways:

1. A District 514 student can enroll in a career and technical education curriculum (program) that is not offered by Illinois Central College but is offered by a participating two-year college.
2. A non-District 514 student can enroll in ICC in a career and technical education curriculum (program) that is not offered by their home community college district.

The form can be submitted online at icc.edu/admissions/enrollment/enrollment-forms. This form must be completed each academic year.

Participating Institutions:

- Black Hawk College
- Carl Sandburg College
- City Colleges of Chicago
- College of DuPage
- College of Lake County
- Danville Community College
- Elgin Community College
- Heartland Community College
- Highland Community College
- Illinois Central College
- Illinois Eastern Comm. College
- Illinois Valley Comm. College
- John A. Logan College
- John Wood Comm. College
- Joliet Junior College
- Kankakee Community College
- Kaskaskia College
- Kishwaukee Comm. College
- Lake Land College
- Lewis and Clark Community College
- Lincoln Land Comm. College
- McHenry County College
- Moraine Valley Comm. College
- Morton College
- Oakton Community College
- Parkland College
- Prairie State College
- Richland Community College
- Rock Valley College
- Sauk Valley Comm. College
- Shawnee Community College
- South Suburban College
- Southeastern Comm. College
- Southwestern Illinois College
- Spoon River College
- Triton College
- Waubonsee Comm. College
- William Rainey Harper College

For more information on the CAREER Agreement, contact Illinois Central College Enrollment Services, Room L211 or cooperativeagreements@icc.edu.

ENROLLMENT AND ACADEMIC ADVISEMENT

International Student Visa (F-1)

Any international students requiring an F-1 (nonimmigrant student) visa are required to contact the International Education Office, (309) 694-5553 or international@icc.edu about necessary documentation, policy and procedure for compliance of US immigration law. The Director of International Education is the institution’s Primary Designated School Officer (PDSO) on all visa/immigration requirements and is responsible for collecting documentation for institutional sponsorship of any F-1 visa by creating a Form I-20. For an international student to qualify for admittance to ICC and a supporting Form I-20 they must provide: financial documentation to prove sufficient funds are available for enrollment, proof of proficiency in the English language in reading, writing, speaking and listening, high school/college transcripts, passport information and supplemental documentation (if necessary). All students (including F-1 students) are required to take Reading and Math Placement Tests before advisement and registration. A condition of the F-1 visa, students are required to enroll in a minimum of 12 credit hours for fall and spring semesters, with a minimum of 9 in-person credit hours.

New* International Students requiring an F-1 (non-immigrant student) visas are required to provide proof of English Language Proficiency in reading, writing, speaking, and listening. Students can demonstrate English proficiency by:

- Proving citizenship or permanent residency in a country where English is an official language.
- Attending a high school within the United States for a minimum of 2 years within the last 5 years.
- Attending an English-medium high school abroad.
- Providing official English Proficiency Test results within the last 2 years with the following minimum scores:
  - TOEFL ibt: 59
  - IELTS: 5.0
  - CET4: 425
  - Duolingo: 85
  - Cambridge: Level B2 - 160
  - Pearson PTE-Academic: 46
  - English3 Proficiency Test: 61
- Obtaining a score of 18 or higher on the ACT English section.
- Obtaining a score of 460 or higher on the SAT Reading/Write section.

Prospective students on any other visa/immigration status should first consult Enrollment Management. Resources and support are available to all international students through the International Education Office.
Illinois Central College will assist veterans and eligible dependents of veterans in navigating the college enrollment process and completing the proper forms required for monthly education benefits and will serve as a liaison between the student and the US Department of Veteran Affairs. Certification requests must be submitted by the veteran or their eligible dependent(s) each semester to the ICC Veterans Affairs office to ensure timely and proper enrollment certification through the US Department of Veteran Affairs. Requirements for Chapters 30, 31, 33, 35, 1606, and 1607 are as follows:

- Copy of DD-214 member 4 or DD-2384 (Notice of Basic Eligibility)
- Transcript of any previous college coursework from each institution previously attended (if applicable)
- Certificate of Eligibility from the Department of Veteran Affairs for the eligible education benefit

The ICC Veterans Affairs Coordinator is available to answer questions about Veteran benefits and to monitor student degree plans and academic progress.

ICC also accepts the Illinois National Guard, Illinois Veterans and Illinois MIA/POW grants. A request to use these benefits must be submitted by the veteran each semester to the ICC Veterans Affairs office to ensure tuition is paid. For eligibility questions, please contact the ICC Veterans Affairs office at (309) 694-5562.

The law requires that educational assistance benefits to veterans and eligible dependents be discontinued when the student ceases to maintain the Satisfactory Academic Progress standards set forth by the educational institution. At ICC, students receiving state and/or federal veteran education benefits must maintain a 2.0 cumulative GPA and must maintain a 67% cumulative course completion rate to maintain eligibility for education benefits. The exact rules for satisfactory academic progress may be obtained at icc.edu/students/financial-aid/eligibility.

The Department of Veterans Affairs requires military education to be evaluated, credited, and posted to Illinois Central College records. Official transcripts from The Community College of the Air Force or the Army (AARTS) must be sent directly to the College from the appropriate institution. Joint Services transcripts can be obtained at https://jst.doded.mil/smart/signin.do, or a student can submit a DD-214 for military credit.

To ensure maximum veteran education benefit, please contact the ICC Veterans Affairs Office.

**Withdrawal Due to Call to Active Duty**

In accordance with Illinois Statute (330 ILCS 60/5.2), students who are called to active military service have the right to receive a refund of tuition and fees applicable to their registration when called to duty for a period of seven or more consecutive days. Withdrawal from the course will not impact the grade point average of the service member. Please provide a copy of your orders to the ICC Veterans Affairs Coordinator once orders have been received that may impact your semester classes.

**New* VA Pending Payment Compliance**

In accordance with Title 38 US Code § 3679 subsection (e), Illinois Central College adopts the following additional provisions for any students using U.S. Department of Veterans Affairs (VA) Post 9/11 G.I. Bill® (Ch. 33) or Vocational Rehabilitation & Employment (Ch. 31) benefits, while payment to the institution is pending from the VA. This school will not:

- Prevent the student’s enrollment;
- Assess a late penalty fee to the student;
- Require the student to secure alternative or additional funding;
- Deny the student access to any resources (access to classes, libraries, or other institutional facilities) available to other students who have satisfied their tuition and fee bills to the institution.

However, to qualify for this provision, such students will be required to:

- Provide the enrolling institution with a copy of their VA Certification of Eligibility (COE) • A “certificate of eligibility” can also include a “Statement of Benefits” obtained from the U.S. Department of Veterans Affairs’ (VA) website; eBenefits; or a VAF 28-1905 form, for chapter 31 authorization purposes.

Additional criteria to qualify for this provision are also required for such students and listed below:

- No other requirements other than COE submission.
Pass/No Pass Option  
(Spring/Summer 2020)

P = Indicates a student received a grade of A, B or C but opted to take a P grade. This grade is not computed in the cumulative GPA. This grading option was offered in response to the COVID-19 pandemic. Effective Spring 2020 and Summer 2020 only.

NP = Indicates a student received a grade of D, F, W, WF or FA but opted to take a NP grade. This grade is not computed in the cumulative GPA. This grading option was offered in response to the COVID-19 pandemic. Effective Spring 2020 and Summer 2020 only.

LEARNING OPPORTUNITIES

Associate in Applied Science Degree (AAS)

*UPDATED MATHEMATICS / LABORATORY SCIENCE OPTION:

AGRI 200 is now included as an Approved Laboratory Science
Updates to Career and Technical Education

Applied Science Degrees
Certificates
Agriculture, Food & Natural Resources
- Agricultural Business Management – Precision Agriculture
- Agricultural Production – Certificate

Business Management & Administration
- Business

Health Science
- Health Information Technology
- Massage Therapist
- Respiratory Therapist

Hospitality & Tourism
- Culinary Arts Management – Certificate
- Restaurant Management

Information Technology
- Cisco Networking Specialist
- Cisco Certified Network Professional (CCNP)
- Computer Programming & Database Development AAS
- Computer Programming & Database Development Certificate
- Secure Software Development

Transportation, Distribution & Logistics
- Automotive Technology
**Agricultural Science and Technology**

**UPDATED CERTIFICATES ONLY**

**AAS Mission:** The mission of the Agricultural Science and Technology degree program is to prepare students for employment in the agricultural industry by educating them in the fundamental concepts, knowledge, hands-on techniques, and skills of the agricultural industry.

**AAS Additional Information:** This general agricultural science and technology degree enhances the student’s ability to obtain a broad range of agricultural employment opportunities. Whether returning to a farm or working for an agricultural business, graduates of the program will have a good basic knowledge of modern agricultural production and business practices. The student will complete two internships on a farm and/or in an agricultural business during their sophomore year to gain additional practical experience.

**Precision Agriculture Mission:** The mission of the Agricultural Business Management-Precision Agriculture Certificate program is to prepare students for employment and/or for the pursuit of an Agricultural Science and Technology Associate in Applied Science degree in the precision agricultural industry by educating them in the fundamental concepts, knowledge, and hands-on techniques and skills of the precision agricultural industry.

**Agricultural Production Mission:** The mission of the Agricultural Production Certificate program is to prepare students for employment and/or for the pursuit of an Agricultural Science and Technology Associate in Applied Science degree in agricultural production by educating them in the fundamental concepts, knowledge, and hands-on techniques and skills of the agricultural production industry.

**Department Contact Information:**
Agricultural and Industrial Technologies
East Peoria Campus
AIT Building, Room 209
(309) 694-5510

Students enrolled in these programs must meet with their assigned academic advisor to plan a specific course schedule that meets Illinois Central College and personal requirements.

2nd Semester: AGRI 113; Approved Elective
Summer Semester: AGRI 201; AGRI 203

---

The student is encouraged to select electives that will provide additional expertise in business, marketing and sales, crop production, or livestock production.
Business

UPDATED AAS ONLY

AAS Mission: The mission of the Associate in Applied Science Business degree is to provide students with the necessary skills and knowledge in fundamental business concepts including accounting, business math, management, customer service, finance, and marketing to gain entry-level employment in a variety of business enterprises.

Additional Program Info: The Associate in Applied Science Business program of study is designed for students preparing for professional positions of responsibility at a variety of business enterprises. The program offers courses in accounting, business math, management, customer service, finance, sales, marketing, human resource management, and professional development. Students complete an internship in an approved business where they gain practical experience. Program requirements can be completed in four semesters of full-time study or on a part-time basis. The program is not designed for college transfer, although some courses may transfer with approval from four-year institutions.

Business Specialist Mission: The mission of the Business Specialist Certificate is to provide a broad-based set of skills and general business knowledge necessary for entry-level employment that may be completed in two semesters.

Small Business Management Mission: The mission of the Small Business Management Certificate program is to provide students with a background in business organization and operations, as well as management training, necessary for advancement to supervisory positions in small businesses.

Department Contact Information: Business, Legal, and Information Systems East Peoria Campus Technology Center, Room 205 (309) 694-5558

Students enrolled in these programs must meet with their assigned academic advisor to plan a specific course schedule that meets Illinois Central College and personal requirements.

Health Information Technology

NEW AAS DEGREE

AAS Mission: The mission of the Health Information Technology program is to provide knowledge, skills, and professional attitude to prepare students for employment in diverse settings in the Health Information Management career field. Health Information Technology concepts will include but are not limited to coding, data collection, data analysis, electronic health record utilization, legal and ethical aspects, protection of health information, leadership skills, and revenue cycle management.

Additional Program Info: Health Information Technologists work in a variety of healthcare settings, including, but not limited to, hospitals, physician offices, ambulatory care clinics, skilled nursing facilities, billing offices, insurance companies, and government agencies.

Admission to the Program:
- High school graduate with GPA 2.6 or higher, or equivalent (i.e.: GED of 165 or higher), OR 5 hours of required courses from program sequence with a "C" or higher.
- One year high school Biology with a "C" or better OR completion of an equivalent college Biology course with a grade of "C" or higher.
- Placement into ENGL 110.
- Grade point average (GPA) of 2.0 or above at ICC or last college attended OR 5 hours of required courses from program sequence with a "C" or higher.

Requirements upon Acceptance:
- Drug screen, fingerprint criminal background check, physical exam, and immunizations.
- Documentation of current CPR certification from the American Heart Association (AHA) Healthcare Provider (HLTH 041 at ICC or equivalent) or American Red Cross (ARC) Professional Rescuer and Health Care Provider. CPR certification must remain current throughout the program.

To Remain in and Graduate from the Program: Students must attain a grade of "C" or better in all coursework to remain in and graduate from program.

Massage Therapist

UPDATED CERTIFICATE

Certificate Mission: The mission of the Massage Therapist program is to provide the curriculum and clinical experiences to empower the graduate with knowledge, skills, attitudes and behaviors necessary to be a competent, successful practitioner.

Admission to the Program:
• High school graduate or equivalent.
• Completion of TM 100 with a grade of “S”.
• Completion of BIOL 106 or BIOL 140 or equivalent, with a grade of “C” or better.

Requirements upon Acceptance:
• Drug screen, fingerprint criminal background check, physical exam, and immunizations.
• Documentation of current CPR certification from the American Heart Association (AHA) BLS (Basic Life Support) Provider or American Red Cross (ARC) Professional Rescuer and BLS Provider, or ICC course HLTH 041 or equivalent, is required. This CPR certification must remain current throughout student enrollment within the health career program.

To Remain in and Graduate from the Program: Maintain a “C” or better in all required program courses.

Students enrolled in this program must meet with their assigned academic advisor to plan a specific course schedule that meets Illinois Central College and personal requirements.
Respiratory Therapist

UPDATED AAS

AAS Mission: The mission of the Respiratory Therapist program is to prepare graduates to enter the professional practice of respiratory care by providing the resources, curriculum, and clinical experience to assume primary clinical responsibilities for respiratory care modalities.

Accreditation: The program is fully accredited by the Commission on Accreditation for Respiratory Care (CoARC), 264 Precision Blvd, Telford, TN 37690, phone (817) 283-264. www.coarc.com

Admission to the Program:
- High school graduate with GPA 2.6 or higher, or equivalent (i.e. GED of 165 or higher) OR 9 hours of required courses from program sequence with a "C" or higher.
- One year high school chemistry with a "C" average or higher OR completion of an equivalent college chemistry course with a grade of "C" or higher.
- One year high school algebra with a "C" average or higher OR placement into MATH 098 or higher.
- Placement into ENGL 110.
- ICC grade point average (GPA) of 2.0 or above (if you have attended ICC).
- GPA of 2.0 or above at the last college attended (other than ICC) OR 9 hours of required courses from program sequence with a "C" or higher.

Requirements upon Acceptance:
- Drug screen, fingerprint criminal background check, physical exam, and immunizations.
- Documentation of current CPR certification from the American Heart Association (AHA) BLS (Basic Life Support) Provider or American Red Cross (ARC) Professional Rescuer and BLS Provider, or ICC course HLTH 041 or equivalent, is required. This CPR certification must remain current throughout student enrollment within the health career program.

Associate in Applied Science
Total Credit Hours: 62 to 66

GENERAL COURSES: CR. HRS.
ENGL 110 COMPOSITION I 3
COMM 110 INTRO TO COMM: PRESENTATION AND THEORY 3
PSY 110 INTRODUCTION TO PSYCHOLOGY 3
BIOL 140 HUMAN ANATOMY AND PHYSIOLOGY 4
BIOL 205 PRINCIPLES OF HUMAN ANATOMY AND PHYSIOLOGY 4
AND
BIOL 206 PRINCIPLES OF HUMAN ANATOMY AND PHYSIOLOGY II 4
BIOL 210 MICROBIOLOGY 4
HUMANITIES/FINE ARTS* 3

PROGRAM COURSES: CR. HRS.
HLTH 108 ELECTROCARDIOGRAM INTERPRETATION 1
HLTH 121 MEDICAL TERMINOLOGY 2
RESP 112 FUNDAMENTALS OF RESPIRATORY CARE I 4
RESP 115 RESPIRATORY CARE PRACTICUM I 3
RESP 121 FUNDAMENTALS OF RESPIRATORY CARE II 5
RESP 122 CARDIOPULMONARY ANATOMY AND PHYSIOLOGY 2
RESP 123 PHARMACOLOGY FOR RESPIRATORY CARE 2
RESP 125 RESPIRATORY CARE PRACTICUM II 3
RESP 127 CARDIOPULMONARY DISEASES 3
RESP 201 INTRODUCTION TO MECHANICAL VENTILATION 1
RESP 210 FUNDAMENTALS OF RESPIRATORY CARE III 5
RESP 220 RESPIRATORY CARE PRACTICUM III 3
RESP 231 FUNDAMENTALS OF RESPIRATORY CARE IV 4
RESP 235 RESPIRATORY CARE PRACTICUM IV 3
RESP 240 RESPIRATORY THERAPY CAPSTONE 1

* See specific requirements for Associate in Applied Science Degree.

Underlined courses may be taken prior to admission into the program.

AAS Information Continued:
Recommended Course Sequence:
1st Semester: ENGL 110; RESP 112; RESP 115; RESP 122; HLTH 121
2nd Semester: RESP 121; RESP 125; RESP 127; BIOL 205 or BIOL 140
Summer Semester: PSY 110; RESP 201; BIOL 210
3rd Semester: RESP 210; RESP 220; BIOL 206 (if needed); Humanities/Fine
Arts
4th Semester: RESP 231; RESP 235; RESP 240; HLTH 108; COMM 110

Respiratory care is a health care specialty, which, under medical direction, is involved in the prevention, treatment, management and rehabilitation of people with lung problems. Respiratory care therapists are instrumental in life support and emergency measures and are experts in providing specialized and selective therapeutic respiratory care including medical gas administration, humidity and aerosol medication administration, cardiopulmonary resuscitation, and ventilatory support. They are also capable of performing pulmonary function studies, blood gas analysis and other related physiologic monitoring. Respiratory care practitioners (advanced-practice therapist) specialize in the application of scientific knowledge and theory to practical clinical problems of respiratory care, and are capable of serving as a technical resource to the physician regarding current practices in respiratory care and to hospital staff concerning effective and safe methods of administering respiratory therapy. The advanced-practice respiratory therapist is qualified to assume primary clinical responsibility for all respiratory care modalities, including supervision of respiratory therapy technician functions. Graduates of this 21-month program earn an Associate in Applied Science (AAS) degree and are eligible to take the National Board for Respiratory Care exam to become a Registered Respiratory Therapist (RRT). Students participate in learning opportunities within classroom, laboratory and clinical settings at the College, at OSF Saint Francis Medical Center, Unity Point Healthcare and other health care facilities within the community.

Students enrolled in this program must meet with their assigned academic advisor to plan a specific course schedule that meets Illinois Central College and personal requirements.
Culinary Arts Management

UPDATED CERTIFICATE ONLY

AAS Mission: The Mission of the Culinary Arts Management Associate in Applied Science Degree program is to prepare students for employment in the restaurant industry by educating them in the fundamental concepts, knowledge, and hands-on techniques and skills of the restaurant industry.

AAS Accreditation: This program is accredited by the American Culinary Federation Educational Foundation (ACFEF).

Certificate Mission: The mission of the Culinary Arts Certificate program is to prepare students for entry level employment in the restaurant industry by educating them in the fundamental concepts, knowledge, and hands-on techniques and skills of the restaurant industry.

Cisco Networking Specialist

**UPDATES TO AAS AND CCNP**

**AAS Mission:** The mission of the Cisco Networking Specialist degree is to prepare students for employment in the networking field through education and training on real-world networking equipment by specializing in areas of cabling, network design, core routing and switching technologies, and security concepts, as well as telephony and wireless technologies. The program is aligned to several highly-sought after Cisco certifications including the CCNA and CCNP.

**LAN Technician Certificate Mission:** The LAN Technician Certificate is designed to provide students with hands-on experience in entry-level technologies that focuses on core routing and switching, computer hardware, and operating systems. Instruction includes, but is not limited to networking standards, LAN protocols, cabling standards, IP addressing, and security. The certificate is aligned to the CCENT and A+ certifications and aimed at helping students prepare for entry-level networking opportunities.

**CCNA Certificate Mission:** The Cisco Certified Network Associate (CCNA) Certificate is designed to provide students with hands-on networking experience in associate-level technologies that focuses on core routing and switching. Instruction includes, but is not limited to networking standards, LAN protocols, WAN protocols, cabling standards, IP addressing, and various routing protocols. The certificate is career-focused and certification aligned aimed at helping students prepare for entry-level networking opportunities.

**CCNP Certificate Mission:** The Cisco Certified Network Professional (CCNP) Certificate is designed to provide students with hands-on networking experience in enterprise-level networking that develops an advanced understanding of routing and switching technologies. Instruction includes, but is not limited to advanced knowledge of routing protocols, LAN protocols, WAN protocols, and further hands-on experience with enterprise-level network devices and their configurations. The certificate is career-focused and certification aligned aimed at helping students prepare for professional-level networking opportunities.

Computer Programming and Database Development

UPDATES TO AAS & CERTIFICATE

AAS Mission: The mission of the Associate in Applied Science Computer Programming and Database Development degree is to prepare students for computer programming positions through instruction of in-depth programming skills in two different programming languages, so that the variety of computer platforms and languages available allow students diversification to meet their personal and career interests.

Certificate Mission: The mission of the Computer Programming and Database Development Certificate is to provide students with a working knowledge of the principles, techniques, and skills to program in a computer environment, so that individuals following this sequence of courses are prepared for entry-level employment or enhancement of their skills as a computer programmer.

Department Contact Information: Business, Legal, and Information Systems East Peoria Campus Technology Center, Room 205 (309) 694-5558

Automotive Technology

UPDATES TO AAS

AAS Mission: The mission of the Automotive Technology Associate in Applied Science degree program is to prepare students for employment as an entry-level technician to be employed by automobile dealers, independent repair shops, mass merchandisers, auto manufacturers, part and component distributors, and other service oriented businesses.

Additional Information: Students participate in an 8-week internship during their sophomore year. Students are encouraged to take the National Institute for Automotive Service Excellence (ASE) exams, an evaluation program that qualifies the student as a technician in other states as well. See Program Chair for materials and resource requirement for program classes.

Accreditation: Automotive Service Excellence Educational Foundation (ASEEF) certified program.

Associate in Arts
Total Credit Hours: 60 to 64

Program Information:
The Art area of study provides the basic general education requirements and art courses for students planning to transfer to a four-year institution to earn a baccalaureate degree. Art students should keep in constant preparation a portfolio of their work. It is often from these works that class placement is determined when transferring to a four-year institution.

Additional Program Info:
Students enrolled in the Associate in Arts degree program must meet with their assigned academic advisor to plan a specific course schedule meeting Illinois Central College and personal requirements in addition to requirements for the institution to which transfer is intended.

Department Contact Information:
Arts and Behavioral Sciences
East Peoria Campus
Academic Building, Room 124A
(309) 694-5113

Art

GENERAL COURSES:
- ENGL 110 COMPOSITION I 3 CR. HRS.
- ENGL 111 COMPOSITION II 3 CR. HRS.
- COMM 110 INTRODUCTION TO COMMUNICATION: PRESENTATION AND THEORY 3 CR. HRS.
- SOCIAL SCIENCE * 9 CR. HRS.
- MATHEMATICS * 3 CR. HRS.
- LIFE SCIENCE/PHYSICAL SCIENCE * 7 CR. HRS.
- ART 150 ART HISTORY I 3 CR. HRS.
- ART 151 ART HISTORY II 3 CR. HRS.
- HUMANITIES * 3 CR. HRS.

RECOMMENDED COURSES:
- ART 111 2D DESIGN 3 CR. HRS.
- ART 112 3D DESIGN 3 CR. HRS.
- ART 120 DRAWING I 3 CR. HRS.
- ART 121 FIGURE DRAWING I 3 CR. HRS.
- ART 200 PAINTING I 3 CR. HRS.
- ART 222 DRAWING II 3 CR. HRS.

ELECTIVE COURSES:
- ART ELECTIVES ** 6-9 CR. HRS.

* See specific requirements for Associate in Arts degree.
** Art electives: ART 140, 141, 142, 152, 201, 204, 205, 206, 210, 221 and 255

Recommended Course Sequence:
1st Semester: ART 111; ART 120; ENGL 110; Mathematics; Life Science
2nd Semester: ART 112; ART 121; ART 150; ENGL 111; Physical Science
3rd Semester: ART 222; ART 200; COMM 110; ART 151; Social Science;
4th Semester: Art Electives; Social Sciences; Humanities
Associate in Arts
Total Credit Hours: 60 to 64

Program Information:
This area of study is designed for people planning to transfer to a four-year college or university for completion of a baccalaureate degree in Computer Science with an Information Systems emphasis. The baccalaureate degree prepares the student for careers in computer programming, systems analysis, and (with experience) management positions in computer information systems.

To Remain in and Graduate from the Program:
Students enrolled in the Associate in Arts degree program must meet with their assigned academic advisor to plan a specific course schedule meeting Illinois Central College and personal requirements in addition to requirements for the institution to which transfer is intended.

Computer Information Systems - Business Emphasis

GENERAL COURSES:
- ENGL 110 COMPOSITION I 3 CR. HRS.
- ENGL 111 COMPOSITION II 3 CR. HRS.
- COMM 110 INTRODUCTION TO COMMUNICATION: PRESENTATION AND THEORY 3 CR. HRS.
- ECON 110 PRINCIPLES OF MACROECONOMICS 3 CR. HRS.
- ECON 111 PRINCIPLES OF MICROECONOMICS 3 CR. HRS.
- MATH 122 DISCRETE MATHEMATICS I 3 CR. HRS.
- LIFE SCIENCE/ PHYSICAL SCIENCE* 7 CR. HRS.
- HUMANITIES/FINE ARTS* 9 CR. HRS.

RECOMMENDED COURSES:
- ACCTG 120 FINANCIAL ACCOUNTING 4 CR. HRS.
- CMPSC 120 BUSINESS COMPUTER SYSTEMS 3 CR. HRS.
- CMPSC 115 CS I: ESSENTIALS OF PROGRAMMING OR
- CMPSC 125 CS I: PROGRAMMING IN C++ 3 CR. HRS.
- CMPSC 225 CS II: PROGRAMMING IN JAVA 3 CR. HRS.
- CMPSC 212 CS II: ADVANCED PROGRAMMING IN C++ 3 CR. HRS.
- MATH 115 COLLEGE ALGEBRA 4 CR. HRS.
- MATH 135 CALCULUS FOR BUSINESS AND SOCIAL SCIENCES 4 CR. HRS.
- APPROVED ELECTIVE ** 3 CR. HRS.

* See specific requirements for Associate in Arts degree.
** Approved Elective should be selected from CMPSC or CMWEB.

Recommended Course Sequence:
1st Semester: ENGL 110; ECON 110; MATH 115; CMPSC 120; CMPSC 115 or 125
2nd Semester: ENGL 111; ECON 111; MATH 135; CMPSC 225 or 212; COMM 110
3rd Semester: ACCTG 120; Physical Science; Fine Arts; Humanities
4th Semester: MATH 122; Life Science; Humanities/Fine Arts; Social Science; Approved Elective
Associate in Arts
Total Credit Hours: 60 to 64

Program Information:
This area of study is designed for people planning to transfer to a four-year college or university for completion of a baccalaureate degree in Computer Science with Technical Emphasis. The baccalaureate degree prepares the student for careers in computer programming, software design, and (with experience) management positions in software development.

To Remain in and Graduate from the Program:
Students enrolled in the Associate in Arts degree program must meet with their assigned academic advisor to plan a specific course schedule meeting Illinois Central College and personal requirements in addition to requirements for the institution to which transfer is intended. Transfer requirements at four-year colleges vary widely, making meeting with an advisor imperative.

Computer Information Systems - Technical Emphasis

GENERAL COURSES:
- ENGL 110 COMPOSITION I 3 CR. HRS.
- ENGL 111 COMPOSITION II 3 CR. HRS.
- COMM 110 INTRODUCTION TO COMMUNICATION: PRESENTATION AND THEORY 3 CR. HRS.
- MATH 122 DISCRETE MATHEMATICS I 3 CR. HRS.
- CHEM 130 GENERAL CHEMISTRY 4 CR. HRS.
- LIFE SCIENCE * 3-4 CR. HRS.
- HUMANITIES/FINE ARTS * 9 CR. HRS.

RECOMMENDED COURSES:
- CMPSC 115 CS I: ESSENTIALS OF PROGRAMMING 3 CR. HRS.
- CMPSC 125 CS I: PROGRAMMING IN C++ 3 CR. HRS.
- CMPSC 225 CS II: PROGRAMMING IN JAVA 3 CR. HRS.
- CMPSC 212 CS II: ADVANCED PROGRAMMING IN C++ 3 CR. HRS.
- MATH 222 CALCULUS AND ANALYTIC GEOMETRY I 5 CR. HRS.
- MATH 223 CALCULUS AND ANALYTIC GEOMETRY II 4 CR. HRS.
- MATH 224 CALCULUS AND ANALYTIC GEOMETRY III 4 CR. HRS.
- PHYS 211 ENGINEERING PHYSICS: MECHANICS 4 CR. HRS.

* See specific requirements for Associate in Arts degree.

Recommended Course Sequence:
1st Semester: ENGL 110; MATH 222; CMPSC 115 or 125; CHEM 130
2nd Semester: ENGL 111; MATH 223; CMPSC 225 or 212; PHYS 211
Summer Semester 1: Social Science
3rd Semester: COMM 110; Humanities; Social Science; MATH 224
4th Semester: MATH 122; Humanities/Fine Arts; Life Science; Social Science; Fine Arts
**Associate in Arts**  
**Total Credit Hours:** 60 to 64

**Program Information:**  
The Graphic Design area of study prepares students interested in the concept, design, technologies, and practical aspects of visual communications creation and production. Industry professionals pursue graphic design careers in the related fields of advertising, communication, marketing, education, multimedia, and publishing. Completion of the Graphic Design area of study prepares the student planning to transfer to a baccalaureate degree program. Students intending to transfer to related programs are strongly advised to develop and maintain a creative portfolio, which partly determines acceptance and placement at most senior colleges and universities.

**To Remain in and Graduate from the Program:**  
Students enrolled in the Associate in Arts degree program must meet with their assigned academic advisor to plan a specific course schedule meeting Illinois Central College and personal requirements in addition to requirements for the institution to which transfer is intended.

**Department Contact Information:**

---

**Graphic Design**

**GENERAL COURSES:**
- ENGL 110  COMPOSITION I       3 CR. HRS.
- ENGL 111  COMPOSITION II      3 CR. HRS.
- COMMUNICATION *               3 CR. HRS.
- SOCIAL SCIENCE **             8 CR. HRS.
- MATHEMATICS *                 3 CR. HRS.
- LIFE SCIENCE/ PHYSICAL SCIENCE * 7 CR. HRS.
- ART 150  ART HISTORY I        3 CR. HRS.
- ART 151  ART HISTORY II       3 CR. HRS.
- HUMANITIES **                 3 CR. HRS.

**RECOMMENDED COURSES:**
- GRDSN 140  GRAPHIC DESIGN 1: FOUNDATIONS       3 CR. HRS.
- GRDSN 142  GRAPHIC DESIGN 2: TYPOGRAPHY        3 CR. HRS.
- GRDSN 150  GRAPHIC DESIGN 3: METHODS AND PROCESS 3 CR. HRS.
- GRDSN 240  GRAPHIC DESIGN 4: ADVANCED DESIGN PROBLEMS  3 CR. HRS.
- ART 111  2D DESIGN            3 CR. HRS.
- ART 112  3D DESIGN            3 CR. HRS.
- ART 120  DRAWING I            3 CR. HRS.
- ART 222  DRAWING II           3 CR. HRS.
- MM 140   MULTIMEDIA PRODUCTION I     3 CR. HRS.

* See specific requirements for Associate in Arts degree.  
** See specific requirements for Associate in Arts degree. A three credit hour Global Perspectives (GP) course is required to graduate at most major universities. These courses are available at ICC within the social sciences and humanities electives. Please see your advisor to determine which GP course is applicable to the institution you wish to transfer.

**Recommended Course Sequence:**
1st Semester: GRDSN 140; MM 140; ART 111; ENGL 110; Mathematics  
2nd Semester: GRDSN 142; ART 120; ENGL 111; Physical Science; Communication  
Summer Semester 1: Social Science  
3rd Semester: GRDSN 150; ART 112; ART 150; Humanities; Social Science  
4th Semester: GRDSN 240; ART 222; ART 151; Life Science; Social Science
**Associate in Arts**

Total Credit Hours: 60 to 64

**Program Information:**
Requirements for admission to four-year colleges and universities vary a great deal. Illinois Central College has articulated agreements with several area universities to ensure ease in transfer of credits upon completion of the Associate in Arts degree.

**Additional Program Info:**
Students enrolled in the Associate in Arts degree program must meet with their assigned academic advisor to plan a specific course schedule meeting Illinois Central College and personal requirements in addition to requirements for the institution to which transfer is intended.

**Department Contact Information:**

---

**Sociology**

**GENERAL COURSES:**

- **ENGL 110** COMPOSITION I * 3 CR. HRS.
- **ENGL 111** COMPOSITION II * 3 CR. HRS.
- **COMM 110** INTRODUCTION TO COMMUNICATION: PRESENTATION AND THEORY OR
  - **COMM 212** PUBLIC SPEAKING 3 CR. HRS.
- **SOC 110** AN INTRODUCTION TO SOCIOLOGY
  - **SOC 114** SOCIAL PROBLEMS 3 CR. HRS.
  - **SOC 120** MARRIAGE AND THE FAMILY 3 CR. HRS.
  - **SOC 218** INTRODUCTION TO SOCIAL PSYCHOLOGY
  - **SOC 219** THE SOCIOLOGY OF RACE AND ETHNICITY IN AMERICA 3 CR. HRS.
- **SOCIAL SCIENCE** ** 6 CR. HRS.
- **MATHEMATICS** ** 3 CR. HRS.
- **LIFE SCIENCE/ PHYSICAL SCIENCE** ** 7 CR. HRS.
- **HUMANITIES/FINE ARTS** ** 9 CR. HRS.

**RECOMMENDED COURSES:**

- **SOC 114** SOCIAL PROBLEMS 3 CR. HRS.
- **SOC 120** MARRIAGE AND THE FAMILY 3 CR. HRS.
- **SOC 218** INTRODUCTION TO SOCIAL PSYCHOLOGY
- **SOC 219** THE SOCIOLOGY OF RACE AND ETHNICITY IN AMERICA 3 CR. HRS.

**ELECTIVE COURSES:**

- **ART ELECTIVES** ** 11-15 CR. HRS.

* Student must earn a "C" or higher in this course.
** See specific requirements for Associate in Arts degree.

**Recommended Course Sequence:**

1st Semester: ENGL 110; SOC 110; Social Science; Life Science; Fine Arts
2nd Semester: ENGL 111; SOC 114; Physical Science; Humanities; Elective
3rd Semester: COMM 110 or 112; SOC 120; SOC 218; Mathematics; Elective
4th Semester: SOC 219; Humanities/Fine Arts; Social Science; Elective(s)

CMPSC 225 CS II: PROGRAMMING IN JAVA (formerly CMPSC 135)

Title Changes

CMCIS 151 INTRODUCTION TO NETWORKS
CMCIS 153 ENTERPRISE NETWORKING
CMNET 210 WINDOWS SERVER
CMNET 220 WINDOWS SERVER NETWORKING
CMNET 230 WINDOWS SERVER IDENTITY
MCOMM 215 PODCAST & BROADCAST PERFORMANCE

Hour Changes

AUTO 250 AUTOMOTIVE INTERNSHIP 3 HR (OC) – 0 Lecture, 15 Lab
TM 120 PROFESSIONAL DEVELOPMENT FOR MASSAGE THERAPISTS 1 HR (OC) – 0 Lecture, 2 Lab
TM 123 MASSAGE THERAPY TECHNIQUES, VARIATIONS, & APPL 2 HR (OC) – 1 Lecture, 2 Lab
TM 126 PROFESSIONAL PRACTICE 2 HR (OC) – 1 Lecture, 2 Lab

Prerequisite Modifications

CHILD 132 INFANT-TODDLER CARE AND EDUCATION
Prerequisite: CHILD 110 and CHILD 120 both with a grade of "C" or better or department approval.

CHILD 142 HEALTH, SAFETY, AND NUTRITION FOR THE YOUNG CHILD
Prerequisite: Approved reading score or equivalent.

CHILD 221 TEACHING MATH & SCIENCE IN EARLY CHILDHOOD
Prerequisite: CHILD 130 with a grade of "C" or better.

CHILD 222 FINE ARTS AND SOCIAL STUDIES IN EARLY CHILDHOOD
Prerequisite: CHILD 130 with a grade of "C" or better.

CHILD 225 GUIDING SOCIAL AND EMOTIONAL DEVELOPMENT IN EARLY CHILDHOOD
Prerequisite: CHILD 130 with a grade of "C" or better.

DHYGN 111 DENTAL EMBRYOLOGY AND HISTOLOGY
Prerequisite: DHYGN 110 and BIOL 210 both with a grade of C or better, or department approval.

DHYGN 131 DENTAL HYGIENE THEORY FOR CLINICAL APPLICATIONS
Prerequisite: DHYGN 113, DHYGN 117, and DHYGN 132, all with a grade of "C" or better.

DHYGN 133 PRECLINICAL DENTAL HYGIENE
Prerequisite: DHYGN 113 and 132 both with a grade of "C" or better.

DHYGN 135 DENTAL RADIOLOGY
Prerequisite: DHYGN 113, DHYGN 117, and DHYGN 132, all with a grade of "C" or better.

DHYGN 137 MEDICAL EMERGENCIES
Prerequisite: Acceptance into the Dental Hygiene Program, BIOL 140 and CHEM 115, both with a grade of "C" or better, or department approval.

DHYGN 139 SPECIAL POPULATIONS
Prerequisite: Admission to ICC Dental Hygiene Program, BIOL 210 and CHEM 115, both with a grade of "C" or better.

DHYGN 210 COMMUNITY DENTAL HEALTH
Prerequisite: DHYGN 222 and DHYGN 230 both with a grade of "C" or better.

DHYGN 212 DENTAL MATERIALS
Prerequisite: DHYGN 131 with a grade of "C" or better.
DHYGN 222 PREVENTIVE MODALITIES
Prerequisite: DHYGN 131, 133, and FCS 110, all with a grade of "C" or better.

DHYGN 226 LOCAL ANESTHETICS FOR THE DENTAL HYGIENIST
Prerequisite: DHYGN 222 and 230 both with a grade of "C" or better.

DHYGN228 NEW DIMENSIONS IN DENTAL HYGIENE
Prerequisite: DHYGN 222 and DHYGN 230 both with a grade of "C" or better.

DHYGN 230 DENTAL HYGIENE CLINIC I
Prerequisite: DHYGN 131, DHYGN 133, and DHYGN 135 all with a grade of "C" or better.

DHYGN 232 DENTAL HYGIENE CLINIC III
Prerequisite: DHYGN 226, DHYGN 228, DHYGN 231 and DHYGN 244, all with a grade of "C" or better.

DHYGN 243 GENERAL AND ORAL PATHOLOGY
Prerequisite: DHYGN 110 with a grade of C or better.

DHYGN 244 PERIODONTAL PATHOLOGY
Prerequisite: DHYGN 222 and DHYGN 230 both with a grade of "C" or better.

DHYGN 246 TRANSITIONS FOR THE DENTAL HYGIENIST
Prerequisite: DHYGN 210 and 231, both with a grade of "C" or better.

DHYGN 248 PHARMACOLOGY FOR DENTAL HYGIENISTS
Prerequisite: DHYGN 222 and DHYGN 230 all with a grade of "C" or better.

REC C65 CONCERT CHOIR
Prerequisite: Four semesters of MUS 134.

REC C66 CHAMBER SINGERS
Prerequisite: Department approval and four semesters of MUS 130.

REC C86 ICC HARD BOP JAZZ BAND
Prerequisite: Four semesters of MUS 132.

TM 111 FUNDAMENTAL MASSAGE TECHNIQUES
Prerequisite: TM 112, TM 114 and TM 116 all with a grade of "C" or better.

TM 112 APPLIED ANATOMY FOR THE BODYWORKER
Prerequisite: Admission to Massage Therapy Program, TM 100 with a grade of "S", and BIOL 106 or BIOL 140 or equivalent with a grade of "C" or better.

TM 114 PATHOLOGY, DOCUMENTATION, AND TERMINOLOGY FOR THE BODYWORKER
Prerequisite: Admission to Massage Therapy Program, TM 100 with a grade of "S", and BIOL 106 or BIOL 140 or equivalent with a grade of "C" or better.

TM 115 CONCEPTS OF HOLISTIC HEALTH
Prerequisite: TM 112, TM 114, and TM 116 all with a grade of "C" or better.

TM 123 MASSAGE THERAPY TECHNIQUES, VARIATIONS, AND APPLICATIONS
Prerequisite: MASSAGE THERAPY TECHNIQUES, VARIATIONS, AND APPLICATIONS.

TM 126 PROFESSIONAL PRACTICE
Prerequisite: TM 111, TM 115, TM 123 and TM 125 all with a grade of "C" or better.

TM 127 THERAPEUTIC MASSAGE CLINICAL
Prerequisite: TM 121 and TM 126 both with a "C" or better.
Prerequisite Removed

SOC 219  THE SOCIOLOGY OF RACE AND ETHNICITY IN AMERICA

The most up to date course description for all the above courses can be found on the ICC Website at http://icc.edu/academics/catalog/course-descriptions/

Other courses with updated course descriptions only:
ART 110, 111, 112, 120, 121, 150, 151, 152, 200; CHILD 110, 120, 130, 134, 140, 231, 232, 235, 240; CMNET 140; CMCIS 152; CMPSC 271; DHYGN 113; 231; MATH 222, 223, 224; REC C64; TM 255.

Withdrawn Courses
BANK 115, 116, 212; HOS 111, 112; MGMT 114; OFOCC 117, 141, 255; REC C26, C27, C53, C54, C55, C56, C59, C67; THTRE 217, 220, 221; WP 152, 186.

New Courses

CMCIS 270  4 HRS.  (OC)
CCNP ENTERPRISE: CORE
Prerequisite: CMCIS 153 with a grade of "C" or better or department approval. This CCNP course is designed to provide students with comprehensive coverage of professional-level networking technologies. This course focuses on implementing core enterprise network technologies including dual stack (IPv4 and IPv6) architecture, virtualization, infrastructure, network assurance, security and automation. This course is aligned with both the CCNP and CCIE Enterprise certifications.
Lecture Hours: 3 Laboratory Hours: 2

HIT 110  3 HRS.  (OC)
PRINCIPLES OF HEALTH INFORMATION TECHNOLOGY
Prerequisite: Acceptance into Health Information Technology or department approval. This course introduces students to current trends, practices, standards, and legal issues in both traditional and contemporary roles in Health Information Technology.
Lecture Hours: 3 Laboratory Hours: 0

HIT 120  2 HRS.  (OC)
MANAGEMENT FOR HEALTH INFORMATION
Prerequisite: Acceptance into Health Information Technology or department approval. This course focuses on decision-making, team building, and managing new technologies while addressing healthcare organizational information needs.
Lecture Hours: 2 Laboratory Hours: 0

HIT 130  3 HRS.  (OC)
LAW AND ETHICS IN HEALTH INFORMATION TECHNOLOGY
Prerequisite: Acceptance into Health Information Technology or department approval. This course explores topics including HIPAA privacy and security, corporate compliance, legal proceedings, patient safety, e-discovery, and ethical issues in health information technology.
Lecture Hours: 3 Laboratory Hours: 0

HIT 150  3 HRS.  (OC)
HEALTHCARE REIMBURSEMENT METHODOLOGIES
Prerequisite: MEDO 115 and MEDO 117 both with a "C" or better. This course provides information on the impact of U.S. healthcare reimbursement systems on healthcare delivery. Topics of coding, health insurance, compliance, and value-based purchasing initiatives will be explored.
Lecture Hours: 3 Laboratory Hours: 0

HIT 200  3 HRS.  (OC)
ALTERNATE HEALTHCARE SETTINGS
ALTERNATE HEALTHCARE SETTINGS
Prerequisite: Acceptance into Health Information Technology or department approval. This course explores management of healthcare information, regulations, roles of healthcare professionals, and trends in traditional and non-traditional healthcare settings.
Lecture Hours: 3 Laboratory Hours: 0

HIT 220  3 HRS.  (OC)
COMPUTER USE IN HEALTH INFORMATION TECHNOLOGY
Prerequisite: Admitted to the Health Information Technology program and CMGEN 120 or CMPSC 120 with a grade of "C" or better. This course explores electronic health records, healthcare computer systems, and basic database management. Students will gain hands-on experience with a variety of electronic health record and healthcare computer systems.
Lecture Hours: 2 Laboratory Hours: 2

HIT 240  3 HRS.  (OC)
STATISTICS FOR HEALTH INFORMATION MANAGEMENT
Prerequisite: Admitted to the Health Information Technology program and placement into Math 111 or higher, or equivalent. This course includes basic mathematical statistical concepts, along with healthcare-specific calculations including length of stay, inpatient service days, occupancy, and rates.
Lecture Hours: 3 Laboratory Hours: 0

HIT 250  2 HRS.  (OC)
HEALTH INFORMATION TECHNOLOGY PROFESSIONAL PRACTICUM EXPERIENCE
Prerequisite: HIT 150, HIT 130, HIT 220, and HIT 240 all with a grade of "C" or better. This is a supervised practicum course which is arranged for students in a variety of healthcare settings where they will have the opportunity to apply Health Information Technology concepts and skills.
Lecture Hours: 1 Laboratory Hours: 3

RESP 100  0.5 HRS.  (OC)
EXPLORING RESPIRATORY THERAPY
This course is designed to introduce students to the profession of respiratory therapy and the role of the Respiratory Therapist. Basic respiratory therapy interventions, such as nebulizer therapy, intubation, breath sounds, oxygen therapy and disease management and patient education will be demonstrated and practiced.
Lecture Hours: 0.5 Laboratory Hours: 0
**WPL 081  2 HRS. (ABE)**
**ABE WORKPLACE LITERACY - MOS WORD**
Prerequisite: Reading level 6-8 on a standardized reading test accepted by the Illinois Community College Board or the College. This course provides the student with the MOS Word skills to be successful in an office setting. Students will complete lessons in the following: creating/editing simple documents; formatting; tables and lists; design elements and layout options; and proofing documents. Students will demonstrate the correct application of the principal features of Word to receive a certificate.
Lecture Hours: 2 Laboratory Hours: 0

**WPL 091  2 HRS. (ASE)**
**ASE WORKPLACE LITERACY - MOS WORD**
Prerequisite: Reading level 9-12 on a standardized reading test accepted by the Illinois Community College Board or the College. This course provides the student with the MOS Word skills to be successful in an office setting. Students will complete lessons in the following: creating/editing simple documents; formatting; tables and lists; design elements and layout options; and proofing documents. Students will demonstrate the correct application of the principal features of Word to receive a certificate.
Lecture Hours: 2 Laboratory Hours: 0

**WPL 092  2 HRS. (ESL)**
**ESL WORKPLACE LITERACY - MOS WORD**
Prerequisite: Intermediate Level score on BEST Plus or BEST Lit standardized test accepted by the Illinois Community College Board or the College. This course provides the student with the MOS Word skills to be successful in an office setting. Students will complete lessons in the following: creating/editing simple documents; formatting; tables and lists; design elements and layout options; and proofing documents. Students will demonstrate the correct application of the principal features of Word to receive a certificate.
Lecture Hours: 2 Laboratory Hours: 0

**WPL 094  2 HRS. (ESL)**
**ESL WORKPLACE LITERACY - MOS WORD**
Prerequisite: Advanced Level score on BEST Plus or BEST Lit standardized test accepted by the Illinois Community College Board or the College. This course provides the student with the MOS Word skills to be successful in an office setting. Students will complete lessons in the following: creating/editing simple documents; formatting; tables and lists; design elements and layout options; and proofing documents. Students will demonstrate the correct application of the principal features of Word to receive a certificate.
Lecture Hours: 2 Laboratory Hours: 0
