CHILD CARE VOUCHER ASSISTANCE PROGRAM
Supporting low-income students with child care costs

The Child Care Voucher Assistance Program supports low-income students by supplementing the cost of child care so students can attend class and focus on their coursework. Students with child care needs can apply for a voucher to assist with the cost of services at a local, licensed child care facility or CCAP eligible providers while attending ICC, including the on-site ICC Children’s Center. The voucher is not intended to cover the full cost of child care expenses but help reduce the cost. A student parents’ eligibility would be based on their financial aid eligibility and the number of credit hours in which they are enrolled.

REQUIREMENTS:

• Must apply for FAFSA.
• Must apply for Child Care Assistance Program (CCAP) funding.
• Must maintain satisfactory academic progress each term.
• Child must be enrolled at a licensed child care facility within ICC’s district or CCAP eligible providers, including the on-site ICC Children’s Center.
• To be eligible for reapplying for next semester’s voucher, the student must have all outstanding balances paid to the provider.
• Students must notify ICC if child(ren) withdraw from the providers care, if the student withdraws from classes, or any other changes in eligibility status.

TERMS / PROGRAM BENEFITS:

• Students awarded a voucher may receive up to $100 per credit hour per semester (maximum $1,000). Note: Amount may be adjusted based on CCAP funding.
• Any additional costs over the allotted voucher award is the responsibility of the student.
• Payment will be made directly to the child care provider.
• Credit hours must be maintained and will be verified throughout the semester to avoid loss of funds.
• The child care provider must verify attendance of the child during the semester to avoid loss of funds.
• Funds are awarded on a first come, first served basis.
• Students must certify eligibility each semester with student support specialist.

HOW TO APPLY:

• Go to icc.edu/children to apply.
