- ▶ To download the Guardian app, search for **RAVE**Guardian in the app store on your mobile device.
- ▶ Registering on the app is quick and easy and requires only your cell phone number and ICC email address. For example: ab123@icc.edu (employees) or ab123@lab.icc.edu (students).
- ▶ The app works best if you enable Location Services when prompted.
- ▶ To conserve your phone battery, you may want to change the Location Services setting in Settings/Privacy/Location Services/Guardian from "Always" to "While Using the App."
