Blackboard training series during Summer 2020 . . .

Part 1	<ul style="list-style-type: none"> ✓ TLC & Blackboard Resources / MyBlackboard Navigation ✓ Available Blackboard Tools / Effective Course Design
Part 2	<ul style="list-style-type: none"> ✓ Assignments ✓ Interaction & Collaboration
Part 3	<ul style="list-style-type: none"> ✓ Tests, Surveys, & Pools ✓ Grade Center & Rubrics
Part 4	<ul style="list-style-type: none"> ✓ Student Performance / Learner Support ✓ Additional Blackboard Tools / Workshop Showcase

This training series is designed for both full-time and adjunct faculty - both novice and experienced users can benefit from the series.

Each of the four parts will be covered during one week. Participants will be invited to actively engage in the training through informative videos, weekly discussion forums, and relevant assignments.

Each participant will be enrolled in a Blackboard training course site, where they will review training materials, engage in weekly discussion forums, and submit relevant assignments. A sandbox site will be provided to each participant. Assignments may be completed in either the sandbox site – or an existing course site of your choice. Participants may use materials/ideas to work on current courses and will have an opportunity to showcase progress at the conclusion of the workshop series.

Session 1 (June 8 – July 3)

Session 2 (July 6 – July 31)
