

# Columbine

An event that changed the nation

We all remember the news coverage, the stories of the lives lost, and the way we looked at the world thereafter. What we didn't hear was the story of the strength, tenacity, and resilience of the one man who led a community through it all, Frank DeAngelis.

**J**oin us for **Columbine: Leadership Lessons Learned** with former Columbine Principal, Frank DeAngelis, as he reveals invaluable insights into leadership including:

- Lessons Learned from the Columbine School Shooting of 1999
- Leading & Embracing Change
- Leading During a Traumatic Event
- Motivating & Communicating with Employees
