Fire Protection Services – Fire Administration Option

The 2+2 is a four-year plan that leads to a Bachelor of Science degree in Fire Protection Services at WIU.

Students intending to complete a baccalaureate degree in Fire Protection Services from WIU should follow the Associate in Applied Science degree program outlined in this brochure from ICC.

Students who complete the Fire Science Technology degree at ICC, may transfer to WIU and complete their degree in Fire Protection Services in an additional two years.

1st Year, First Semester

Fire Protection Services Program)

2+2 Agreement

Illinois Central College and Western Illinois University agree that if a student completes the Associate of Fire Science Technology and is admitted to Western Illinois University, that student shall be eligible for this Articulation Agreement.

1. This Articulation Agreement is only appropriate for students who transfer from Illinois Central College with an Associate of Fire Science Technology that includes the general education courses, that are attached to this document, and who pursue a Bachelor of Science in Fire Protection Services from Western Illinois University. The series of courses that must be taken to complete the baccalaureate degree at WIU are attached to this document.
2. The student must satisfactorily complete the course requirements at Western Illinois University to earn a Bachelor of Bachelor of Science in Fire Protection Services.
3. Students admitted under this 2+2 Agreement must meet all other graduation requirements as listed in the student undergraduate catalog at Western Illinois University.
4. If either Illinois Central College or Western Illinois University changes major program requirements, general education requirements, graduation requirements, this agreement is subject to renegotiation.
5. **COMPLETE PROGRAM OUTLINE IS ATTACHED**
