

Articulation Agreement
between
Eureka College
and
Illinois Central College

Purpose

Eureka College (EC) and Illinois Central College (ICC) agree to partner to offer students who have completed an Associate in Arts (A.A.), Associate in Science (A.S.), or Associate in Applied Science (A.A.S.) degree an opportunity to complete, in a timely manner, a Bachelor of Arts or Bachelor of Science degree in Bachelor of Arts and Bachelor of Science programs at EC.

Programs

Eureka College will accept Associate in Arts and Associate in Science degrees from Illinois Central College as equivalent to the first two years of the EC baccalaureate program*, and guarantees to admit with junior standing students who meet eligibility requirements as stipulated in this agreement for the following academic programs:

- **Accounting:** AA (Accountancy), AAS in Accounting
- **Agricultural Science:** AAS in Agronomy, AAS in Animal Science
- **Art:** AA (Art)
- **Biology:** AA (Biology)
- **Business Administration:** AA (Business Administration), AAS in Finance
- **Chemistry:** AA (Chemistry)
- **Child Life Specialist:** AA (Psychology)
- **Communication – Human Communication Track:** AA (Communication)
- **Communication – Strategic Communication Track:** AA (Communication)
- **Criminal Justice/Sociology:** AA (Criminal Justice), AAS in Law Enforcement
- **Digital and Media Design:** AA (Graphic Design)
- **Elementary Education:** AA (Elementary Education)
- **English – Literature Track:** AA (English)
- **English – Writing Track:** AA (English)
- **Environmental Science:** AA (Environmental Science)
- **Environmental Studies:** AA (Environmental Science)
- **History and Political Science – History Track:** AA (History), AA (Political Science)
- **History and Political Science – Political Science Track:** AA (History), AA (Political Science)
- **History and Political Science – Pre-Law Track:** AA (History), AA (Political Science)
- **Kinesiology-Athletic Training:** AA (Physical Education), AAS in Personal/Fitness Trainer
- **Kinesiology-Exercise Science:** AA (Physical Education), AAS in Personal/Fitness Trainer
- **Mathematics:** AA (Mathematics)
- **Middle Grades Education:** AA (Unspecified)
- **Music:** AA (Music)
- **Music with Performance Emphasis:** AA (Music)
- **Philosophy and Religion:** AA (Philosophy)
- **Psychology:** AA (Psychology), AAS in Drug and Alcohol Counselor Training
- **Sociology and Psychology:** AA (Sociology), AAS in Drug and Alcohol Counselor Training
- **Sports Management:** AA (Business Administration)
- **Theatre Arts and Drama:** AA (Theatre)

**Students pursuing Accounting must complete Financial and Managerial Accounting prior to enrolling at Eureka College to be able to graduate from EC in two years.*

Transfer Policies

Transfer students generally fall under the requirements of the EC catalog aligned with their start date at EC, but students entering EC under this agreement may elect to fall under the requirements of the EC catalog aligned with their start date at ICC, up to 2 years prior to their start date at EC. To facilitate the seamless transfer of credits and junior standing, students who have completed the Illinois Articulation Initiative General Education Core Curriculum (IAI GECC) will be considered to have met all General Education Capabilities, with the exception of three: Justice & Civic Responsibility (JCR), Sustainable Practice & Environmental Conscience (SP), and Ethical Reasoning (ER). The SP Capability may be completed at ICC with BIO114 or PHYSC110, but the others must be completed at EC. Students who are no more than two courses short of completing the IAI GECC may complete the IAI GECC at Eureka College and will receive the same benefits as a student who completed it prior to matriculation.

The following EC transfer policies will also apply:

1. Courses only transfer into EC as earned credits, not grades or quality points. Only EC courses are included in the calculation of EC grade point averages.
2. Only classes with a grade of a "C" or better will transfer to EC as earned credit and, where applicable, fill specific program requirements. A class with a grade of "D" may transfer to EC as credit earned only if it is needed to complete the IAI General Education Core.
3. A maximum of 68 credit hours will be accepted in transfer from 2-year institutions, and up to 94 credit hours from four-year or combination of two- and four-year institutions.
4. Individual programs may have a transfer GPA requirement higher than the GPA required to earn the associate degree.
5. At least 30 of the last 37 credit hours applied toward a bachelor's degree must be EC credit.
6. At least 12 credit hours of EC credit in a major is required for a bachelor's degree.
7. At least 6 credit hours of upper-division EC credit within the major is required for a bachelor's degree.

Eureka College Responsibilities

Eureka College agrees to:

- Maintain a course-by-course articulation table indicating how ICC courses will be accepted at Eureka College as equivalents to Eureka courses, department electives, general education requirements, and/or general electives, with the goal of providing an optimal transfer for each student.
- Make available to ICC students who are interested in transferring to Eureka under this agreement access to an academic advisor.
- Encourage all students enrolled at ICC in an identified program who are seeking transfer to Eureka to complete their Associate of Arts, Associate of Science, or Associate in Applied Science degree before entering Eureka's degree programs when possible.
- In situations where students transfer to Eureka before completing the Associate Degree, Eureka will partner with ICC to complete reverse transfer notifications whenever possible for the benefit of the students.
- Inform ICC annually of any changes to the programs, curriculum, or tuition rates in a timely fashion and negotiate, with representatives from ICC, any necessary alterations to this agreement resulting from those changes.
- Inform ICC of the progress of its graduate for assessment purposes
- Receive directory information for ICC students in Associate of Arts and Associate of Science programs with 40+ credits for the purposes of communication regarding transfer.
 - Students who have placed privacy holds on their records will not be released.
 - Students who receive the communications will be provided the chance to opt out of these mailings.
 - These lists will not be shared with outside entities and will be secured by Eureka College in accordance with safeguarding laws.
- Student data regarding grade point average and completion will be shared in aggregate with Illinois Central College in accordance with FERPA.
- Investigate the possibilities for collaboration in the development of additional agreements regarding other programs.

Illinois Central College Responsibilities

Illinois Central College agrees to:

- Distribute information and materials developed by Eureka College describing transfer benefits and programs.
- Identify the Illinois Central College Transfer Coordinator as the liaison with Eureka College to communicate advisement needs for students, curricular changes, and the distribution of materials produced by Eureka College advertising the program for purposes of ease of transfer by students between the two institutions.
- Inform Eureka College of any changes to ICC courses in a timely fashion and negotiate, with representatives from Eureka College, any necessary alterations to this agreement resulting from those changes.
- Provide directory information for ICC students in Associate of Arts and Associate of Science programs with 40+ credits to Eureka College for the purpose of communication regarding transfer.
 - Students who have placed privacy holds on their records will not be released.
 - Students who receive the communications will be provided the chance to opt out of these mailings.
 - These lists will not be shared with outside entities and will be secured by Eureka College in accordance with safeguarding laws.
- Student aggregate data regarding grade point average and completion will be received by and safeguarded by Illinois Central College in accordance with FERPA.
- Investigate the possibilities of collaboration in the development of additional agreements regarding other programs.

Reverse Transfer

This agreement makes provision for increasing student retention and associate degree completion for ICC students who transfer to EC without completing an associate's degree. The initiative applies to Illinois Central College students who have completed at least 30 credits prior to transfer to Eureka College to pursue a baccalaureate degree. By this agreement, qualified transfer students may transfer back to Illinois Central College credits earned at Eureka College toward completion of requirements for appropriate Illinois Central College credentials. The two institutions will establish the protocol for the reverse transfer facility.

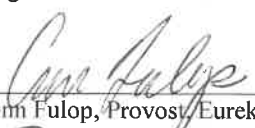

Indemnity

It is understood and agreed that neither of the parties to this Agreement shall be liable for any negligent or wrongful act chargeable to the other, and that this Agreement shall not be construed as seeking to either enlarge or diminish any obligation or duty owed by one party against the other or against third parties. In the event of a claim for any wrongful or negligent act, each party shall bear the cost of their own defense.

The term of this Agreement shall stand until amended by mutual written consent of the parties. Either party may terminate this Agreement at any time without cause upon six (6) months written notice or for cause, if the other part is in material breach of a term in this Agreement and fails to remedy that breach within 30 notice thereof. Notice to terminate shall be sent certified mail, return receipt requested, to the addressee set forth in this Agreement.

Effective Date and Notice to Terminate, Modify, or Withdraw

This agreement takes effect on the date of the last signature below. Written notice of intention to terminate, modify, or withdraw from this Articulation Agreement will be submitted by the academic head of either institution at least one academic semester prior to the proposed date of termination/withdrawal. Should a decision be made to modify or dissolve this agreement, students who are already attending Eureka College at the time will be permitted to continue as long as their academic performance remains in good standing.

Illinois Central College to Eureka College ACCOUNTING

<u>ICC Program:</u>	Associate of Arts – Accountancy	60-64 credit hours
<u>EC Program:</u>	Bachelor of Science - Accounting	56-60 credit hours
<u>Minimum total hours for Bachelor of Science Degree from EC:</u>		120 credit hours

ILLINOIS CENTRAL COLLEGE REQUIREMENTS		IAI	AS APPLIED TO EUREKA COLLEGE		Credits
General Education Courses to Complete at Illinois Central College					
✓	Completion of the Illinois Articulation Initiative (IAI) General Education Core waives students from 7 of the 10 General Education Capabilities required at Eureka College, as well as 2 of 4 Writing requirements. An 8 th Capability may be met using Natural Science recommendations.				
Communication: Take all three of the following.					
ENGL110	Composition I	✓	ENG103W	Academic Writing and Research	3
ENGL111	Composition II	✓	ENGXXX	English Elective (Writing Intensive)	3
COMM110	Communication: Presentation and Theory	✓	COM110	Introduction to Public Speaking	3
Natural Sciences: Take two natural science courses – one physical science and one life science, at least one of which contains a lab component, totaling 7-8 credits. Choose one recommended course to fill Eureka's Sustainable Practices Capability.					
BIOL114	Life Science (IAI)	✓	EVS121	[Assigned based on course chosen]	7-8
	Environmental Biology (Recommended)			Environmental Biology	
	Physical Science (IAI)			[Assigned based on course chosen]	
PHYS110	Energy and Environment (Recommended)	✓	EVSXXX	Environmental Science Elective	
Mathematics: Take one IAI-eligible math class. Choose the recommended course to also fill a major requirement.					
MATH135	Mathematics (IAI)	✓	MAT162	[Assigned based on course chosen]	3-4
	Calculus for Bus & Social Sci (Recommended)			Applied Functions & Calculus for Business	
Fine Arts and Humanities: Select three IAI-eligible courses, at least one from Fine Arts and at least one from Humanities.					
	Fine Arts (IAI)	✓		[Assigned based on course chosen]	3
	Humanities (IAI)	✓		[Assigned based on course chosen]	3
	Fine Arts or Humanities (IAI)	✓		[Assigned based on course chosen]	3
Social Sciences: Select three IAI-eligible social science courses from at least two different disciplines.					
ECON110	Social Science (IAI)	✓	ECO111	[Assigned based on course chosen]	3
	Princ of Macroeconomics (Recommended)			Principles of Macroeconomics	
ECON111	Social Science (IAI)	✓	ECO112	[Assigned based on course chosen]	3
	Princ of Microeconomics (Recommended)			Principles of Microeconomics	
	Social Science (IAI)			[Assigned based on course chosen]	
TOTAL					37-39

Major Coursework Available at Illinois Central College					
The following courses can be used to meet major requirements at Eureka College					
ACCTG113	Tax Accounting		ACC221	Tax Accounting I	3
ACCTG120*	Financial Accounting		ACC111	Principles of Accounting I	4
ACCTG121*	Managerial Accounting		ACC112	Principles of Accounting II	4
ACCTG206	Intermediate Accounting I		ACC201	Intermediate Accounting I	3
ACCTG207	Intermediate Accounting II		ACC202	Intermediate Accounting II	3
ACCTG208	Cost Accounting		ACC302	Cost Accounting	3
ACCTG209	Intermediate Accounting III		ACC203	Intermediate Accounting III	3
BUS203	Business Statistics; or		MAT260	Statistics	3
MATH111	General Education Statistics; or		MAT260	Statistics	
MATH134	Finite Mathematics		MAT161	Finite Math & Statistics for Business	

See the latest ICC to Eureka Course Equivalency Guide at www.eureka.edu/future-students/transfer-students for information about how other courses offered at ICC will transfer to Eureka.

*Because of the sequential nature of Accounting coursework, ACCTG120 and ACCTG121 must be taken in the first two years to ensure graduation in two years at Eureka.

Only students who have completed an approved Agricultural Science A.A.S. program may be accepted into the Agricultural Science program at Eureka.

Suggested Electives:

- BIO241 – Introduction to Botany
- BIO242 – Introduction to Zoology
- CHM250 – Quantitative Analysis
- HIS220 – History of Environmental Policy

ICC – Requirements may be met through an equivalent course at ICC

IC? – Requirements may be met at ICC, depending on options selected during the program.

Notations assume the selection of “recommended” coursework on the previous page.

¹These four courses are generally not accepted in transfer to Eureka College. However, students transferring to Eureka under this agreement with a completed A.A.S. in Finance, who apply for a major in Business Administration, will receive credit for all four courses in order to facilitate a transfer to Eureka College as a student in Junior standing.

ILLINOIS CENTRAL COLLEGE REQUIREMENTS			IAI	AS APPLIED TO EUREKA COLLEGE		Credits
General Education Courses to Complete at Illinois Central College						
✓	Completion of the Illinois Articulation Initiative (IAI) General Education Core waives students from 7 of the 10 General Education Capabilities required at Eureka College, as well as 2 of 4 Writing requirements. An 8 th Capability may be met using Natural Science recommendations.					
Communication: Take all three of the following.						
ENGL110	Composition I	✓	ENG103W	Academic Writing and Research		3
ENGL111	Composition II	✓	ENGXXX	English Elective (Writing Intensive)		3
COMM110	Communication: Presentation and Theory	✓	COM110	Introduction to Public Speaking		3
Natural Sciences: Take two natural science courses – one physical science and one life science, at least one of which contains a lab component, totaling 7-8 credits. Choose one recommended course to fill Eureka’s Sustainable Practices Capability.						
BIOL160	Life Science (IAI)	✓	BIO141W	[Assigned based on course chosen]	10-11	
	Biopinciples I (Recommended)			Principles of Biology I		
CHEM130	Physical Science (IAI)	✓	CHM131	[Assigned based on course chosen]		
	General Chemistry I (Recommended)			General Chemistry I		
BIOL161	Biopinciples II (Recommended)		BIO142	Principles of Biology II		
Mathematics: Take one IAI-eligible math class. Choose the recommended course to also fill a major requirement.						
MATH211	Mathematics (IAI)	✓	MAT265	[Assigned based on course chosen]	6-9	
	Statistical Analysis			Quantitative Methods I		
	Mathematics			[Assigned based on course chosen]		
Fine Arts and Humanities: Select three IAI-eligible courses, at least one from Fine Arts and at least one from Humanities.						
	Fine Arts (IAI)	✓		[Assigned based on course chosen]		3
	Humanities (IAI)	✓		[Assigned based on course chosen]		3
	Fine Arts or Humanities (IAI)	✓		[Assigned based on course chosen]		3
Social Sciences: Select three IAI-eligible social science courses from at least two different disciplines.						
	Social Science (IAI)	✓		[Assigned based on course chosen]		3
	Social Science (IAI)	✓		[Assigned based on course chosen]		3
	Social Science (IAI)	✓		[Assigned based on course chosen]		3
TOTAL						37-39

ILLINOIS CENTRAL COLLEGE REQUIREMENTS		IAI	AS APPLIED TO EUREKA COLLEGE		Credits
General Education Courses to Complete at Illinois Central College					
✓	Completion of the Illinois Articulation Initiative (IAI) General Education Core waives students from 7 of the 10 General Education Capabilities required at Eureka College, as well as 2 of 4 Writing requirements. An 8 th Capability may be met using Natural Science recommendations.				
Communication: Take all three of the following.					
ENGL110	Composition I	✓	ENG103W	Academic Writing and Research	3
ENGL111	Composition II	✓	ENGXXX	English Elective (Writing Intensive)	3
COMM110	Communication: Presentation and Theory	✓	COM110	Introduction to Public Speaking	3
Natural Sciences: Take two natural science courses – one physical science and one life science, at least one of which contains a lab component, totaling 7-8 credits. Choose one recommended course to fill Eureka's Sustainable Practices Capability.					
BIOL114	Life Science (IAI)	✓		[Assigned based on course chosen]	7-8
	Environmental Biology (Recommended)		EVS121	Environmental Biology	
PHYS110	Physical Science (IAI)	✓		[Assigned based on course chosen]	7-8
	Energy and Environment (Recommended)		EVSXXX	Environmental Science Elective	
Mathematics: Take one IAI-eligible math class. Choose the recommended course to also fill a major requirement.					
	Mathematics (IAI)	✓		[Assigned based on course chosen]	3-4
Fine Arts and Humanities: Select three IAI-eligible courses, at least one from Fine Arts and at least one from Humanities.					
HIS111	Fine Arts (IAI)	✓		[Assigned based on course chosen]	3
	Humanities (IAI)	✓		[Assigned based on course chosen]	3
HIS112	Early World Civilizations (Recommended)	✓			
	Fine Arts or Humanities (IAI)			[Assigned based on course chosen]	3
	Modern World Civilizations (Recommended)				
Social Sciences: Select three IAI-eligible social science courses from at least two different disciplines.					
	Social Science (IAI) from major courses below	✓		[Assigned based on course chosen]	3
	Social Science (IAI) from major courses below	✓		[Assigned based on course chosen]	3
	Social Science (IAI) from major courses below	✓		[Assigned based on course chosen]	3
TOTAL					37-39

Major Coursework Available at Illinois Central College					
The following courses can be used to meet major requirements at Eureka College					
HIST111	Early World Civilizations; or		HIS123	World History I	3
HIST117	Early Western Civilization		HIS113	Survey of Europe to 1660	
HIST112	Modern World Civilizations; or		HIS124	World History II	3
HIST118	Modern Western Civilization		HIS114	Survey of Europe Since 1660	
HIST201	American History to 1877		HIS250	History of the U.S. to 1865	3
HIST202	American History Since 1877		HIS251	History of the U.S. Since 1865	3
POLSC115	American National Government		PSC150	American Government (National)	3
POLSC124	Comparative Political Systems		PSC261	Comparative Government	3

See the latest ICC to Eureka Course Equivalency Guide at www.eureka.edu/future-students/transfer-students for information about how other courses offered at ICC will transfer to Eureka.

ILLINOIS CENTRAL COLLEGE REQUIREMENTS		IAI	AS APPLIED TO EUREKA COLLEGE		Credits
General Education Courses to Complete at Illinois Central College					
✓	Completion of the Illinois Articulation Initiative (IAI) General Education Core waives students from 7 of the 10 General Education Capabilities required at Eureka College, as well as 2 of 4 Writing requirements. An 8 th Capability may be met using Natural Science recommendations.				
Communication: Take all three of the following.					
ENGL110	Composition I	✓	ENG103W	Academic Writing and Research	3
ENGL111	Composition II	✓	ENGXXX	English Elective (Writing Intensive)	3
COMM110	Communication: Presentation and Theory	✓	COM110	Introduction to Public Speaking	3
Natural Sciences: Take two natural science courses – one physical science and one life science, at least one of which contains a lab component, totaling 7-8 credits. Choose one recommended course to fill Eureka’s Sustainable Practices Capability.					
BIOL114	Life Science (IAI) Environmental Biology (Recommended)	✓	EVS121	[Assigned based on course chosen] Environmental Biology	7-8
PHYS110	Physical Science (IAI) Energy and Environment (Recommended)	✓	EVSXXX	[Assigned based on course chosen] Environmental Science Elective	
Mathematics: Take one IAI-eligible math class. Choose the recommended course to also fill a major requirement.					
	Mathematics (IAI) from major courses below	✓		[Assigned based on course chosen]	3-4
Fine Arts and Humanities: Select three IAI-eligible courses, at least one from Fine Arts and at least one from Humanities.					
	Fine Arts (IAI)	✓		[Assigned based on course chosen]	3
	Humanities (IAI)	✓		[Assigned based on course chosen]	3
	Fine Arts or Humanities (IAI)	✓		[Assigned based on course chosen]	3
Social Sciences: Select three IAI-eligible social science courses from at least two different disciplines.					
	Social Science (IAI)	✓		[Assigned based on course chosen]	3
	Social Science (IAI)	✓		[Assigned based on course chosen]	3
	Social Science (IAI)	✓		[Assigned based on course chosen]	3
TOTAL					37-39

Major Coursework Available at Illinois Central College

¹These four courses are generally not accepted in transfer to Eureka College. However, students transferring to Eureka under this agreement with a completed A.A.S. in Drug and Alcohol Counselor Training, who apply for a major in *Psychology* or *Sociology & Psychology*, will receive credit for all four courses in order to facilitate a transfer to Eureka College as a student in Junior standing.

Additional Benefits: Students transferring to Eureka under this agreement with a completed A.A.S. in Drug and Alcohol Counselor Training, who apply for a major in *Psychology* or *Sociology & Psychology*, will be counted as having fulfilled the Analytical Inquiry and Problem Solving (AIPS) Capability.

	Psychology/Sociology Elective			[Assigned based on course chosen]	3
PSY210	Human Social Behavior (Recommended)		PSY203	Social Psychology	
TOTAL					42

¹These four courses are generally not accepted in transfer to Eureka College. However, students transferring to Eureka under this agreement with a completed A.A.S. in Drug and Alcohol Counselor Training, who apply for a major in *Psychology* or *Sociology & Psychology*, will receive credit for all four courses in order to facilitate a transfer to Eureka College as a student in Junior standing.

Additional Benefits: Students transferring to Eureka under this agreement with a completed A.A.S. in Drug and Alcohol Counselor Training, who apply for a major in *Psychology* or *Sociology & Psychology*, will be counted as having fulfilled the Analytical Inquiry and Problem Solving (AIPS) Capability.

**Illinois Central College and Eureka College
Reverse Transfer of Credits for Associate Degree Completion Initiative**

The purpose of this Agreement is to facilitate a seamless transfer experience and promote retention and degree completion for students who have transferred from Illinois Central College to complete a Baccalaureate degree at Eureka College. The Reverse Transfer Initiative applies to Illinois Central College students who have completed at least 30 credits prior to transferring to Eureka College. By this agreement, eligible students may transfer appropriate credits earned at Eureka College back to Illinois Central College toward completion of requirements for applicable credentials.

Both institutions agree to:

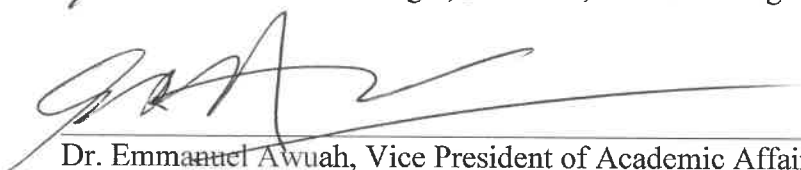

1. Appoint a contact person and liaison for the initiative.
2. Share student information and ensure it is done in a manner that is in compliance with FERPA guidelines.
3. Develop a method to track the success of the initiative and share results on an annual basis.
4. Follow parameters of the law and guidelines of national and regional accrediting agencies.
5. Develop and document the system, processes, communication and timeline supporting the initiative.
6. Explore opportunities to leverage existing technology in an effort to create an effective, efficient and seamless process.
7. Outline student communication, procedures and advisement assistance to complete degree requirements.
8. Attend partner meetings to continuously monitor the agreement and its outcomes.
