2-101 REGULATION ENFORCEMENT

The enforcement of these regulations is the responsibility of the ICC Campus Police Chief and the members of the ICC Campus Police Department.

2-102 REGULATION VIOLATION NOTICES

An Illinois Central College Regulation Violation Notice (RVN) may be issued to an individual found to be in violation of these regulations. Issuance of a Regulation Violation Notice does not preclude College officials or law enforcement officers from any additional appropriate action including lawful arrest. The Regulation Violation Notice shall contain the name and address of the violator; the title and section number of the violation committed; the date, time, and location of the violation; a brief summary of the allegations; and the signature and identification number of the issuing officer. A copy of the notice will be given to the violator at the time the notice is written, if possible. In addition to the information listed above, this copy will contain the fine amount and appeal process information.

2-103 FINE COLLECTION PROCESS

- A. It is the responsibility of the cited individual to resolve the Regulation Violation Notice in one of the following manners:
- 1) Pay the designated fine amount by mail, online, or in person at any campus Student Service Center by the end of the 15-day payment due date, or;
 - 2) File a written or electronic appeal of the notice prior to the end of the 15-day payment due date.
- B. Failure to resolve the Regulation Violation Notice in one of the above-listed manners will result in the doubling of the fine amount up to a maximum of \$350.

- C. The College reserves the right to take any additional legal steps within its authority to collect any unpaid fines, including in appropriate circumstances, placing a hold on the violator's College account and/or ability to conduct College business until the fine is paid. The provisions of this policy shall not take precedence over the specific terms of any collective bargaining agreement with the College's employees or their representatives. Persons receiving a Regulation Violation Notice who have no business connection to the College may face civil action and be banned from ICC and Foundation property.
- D. All College Regulation Violation Notice fines collected shall be deposited into the College General Fund.

2-104 REGULATION VIOLATION NOTICE APPEALS PROCESS

- A. If an appeal is filed in regards to a Regulation Violation Notice, the payment due date will be stayed until the outcome of the appeal. Appeals turned in with no explanation or appeals made simply to release a hold on a violator's account for enrollment or other purposes may not be accepted.
- B. A College Regulations Appeals group shall review, consider, and rule on formal appeals of issued Regulation Violation Notices. The decision of the group is final.
- C. If the group by a majority or tie vote rules in favor of the appeal, the violation notice will be rescinded. A notification letter will be sent to the appellant advising the case has been resolved.
- D. If the group by a majority vote rules against the appeal, the appeal shall be rejected. A notification letter will be sent to the appellant advising of the rejection and indicate a new 15-day due date, by which the outstanding fine must be paid.
