		Social Science Elective	3
		One 3 credit course from: Anthropology, Economics, Geography, History, Political Science, Psychology, or Sociology	

****Please note that Methodist College reserves the right to change its curricular requirements when deemed necessary.****

BSN: Prelicensure (BSN: PL)

General Information

The BSN: Prelicensure (BSN: PL) program (120 cumulative credit hours) is designed for anyone who is interested in earning a Bachelor of Science in Nursing degree. Courses for this degree have been developed to prepare the BSN registered nurse to fulfill standards set forth by The Essentials: Core Competencies for Professional Nursing Education®.

Students may enter this program directly from high school or as transfer students. Students with college credits will have those credits evaluated as to their transferability into the Methodist College BSN program. The student will then be placed in the program accordingly. Completion of this BSN program is contingent on credit hours completed per semester and/or number of transfer credits applied and sequencing of clinical courses.

Students entering or transferring into this program will be able to attend full time or part time. Courses are offered in multiple formats including online, blended, and standard.

- If attending full time – the degree may be completed in eight consecutive semesters.
- If attending part time – the student may take up to seven years from the date of initial admission to complete the degree.

Upon completion of the required coursework, the Bachelor of Science in Nursing degree will be awarded, and the graduate will then be qualified to sit for the state licensing exam known as the NCLEX-RN. Upon passing this exam, the graduate will be licensed as a Registered Nurse (RN).

BSN-PL General Application Requirements

Students who are applying for the Bachelor of Science in Nursing Prelicensure (BSN: PL) program as first-time freshmen must meet these requirements in addition to the standard Methodist College admission requirements (please see the current Methodist College Catalog for standard admission requirements):

- High school grade point average minimum of 2.5 (on a 4.0 point scale);

Transfer Student Application Requirements for Students with Earned Credit Hours

Students who are applying for the Bachelor of Science in Nursing Prelicensure (BSN: PL) program as a transfer candidate must meet these requirements in addition to the standard Methodist College admission requirements (please see the current Methodist College Catalog for standard admission requirements):

1. An applicant with earned college credits must hold a cumulative post-secondary GPA of 2.5 (on a 4.0 scale).
2. Official transcripts from each college or university attended. Students who have been academically dismissed from another post-secondary institution may not be eligible for admission to Methodist College pending further evaluation by the department.
