How students access Office 365 and install Office applications

2. Enter your ICC student email address and click “Get Started.”

3. Click “I’m a student.”

4. Complete the form to create your account. Check your ICC student email account for the required verification code. Click “Start.”
5. Click “Skip” when prompted to invite more people.

6. From the landing screen, you can access cloud versions of Office applications.

7. To install Office on your computer, click “Install Office,” and follow the onscreen instructions.
