COLLEGE for Kids

Summer 2019
visit: icc.edu/cfk

the SMART CHOICE
Classes are for youth entering grades 4-12 during the 2019-2020 school year.

Early Bird Club
Parents need to get to work early in the morning? Come join us at Early Bird Club with games, arts, crafts, computers, and more! Meet in the computer lab in the morning. A parent or other authorized adult MUST escort student to the Technology Center and sign in with CFK staff member. Parents can park at ICC Visitor’s Lot, located on the side of the Technology Center building. Students will go to their first class after Early Bird Club.

Grades 4-9
7:15 a.m. - 8:15 a.m. Session 1 $45
7:15 a.m. - 8:15 a.m. Session 2 $45

Club CFK
Need more College for Kids? Want to extend your fun? Come join us at Club CFK with games, computers, snacks, and more! Meet in the Tranquility Room immediately following your last class of the day. Students will be picked up at Parking Lot B after Club CFK. If students need to be picked up earlier than 5:00 p.m., a parent or other authorized adult MUST sign out student at ICC Technology Center with CFK staff member. Parents can park at ICC Visitor’s Lot, located on the side of the Technology Center building.

Grades 4-9
3:15 p.m. - 5:00 p.m. Session 1 $75
3:15 p.m. - 5:00 p.m. Session 2 $75

Friday Field Trips
***Available at an additional cost
Offered weekly during each session of College for Kids.

Fees
Fees vary from $80 to $220 per class (not including special camps)
Visa, MasterCard, Discover, personal check, and cash are accepted. Payment is expected at the time of registration. Enrollment is not guaranteed without full payment.

More details on page: 10-11
Welcome to ICC College for Kids 2019! We are excited to offer another summer of fun and educational opportunities for students entering grades 4 through 10. In addition, we offer some special programs for high school students both in June and July.

At College for Kids, your child will explore areas of interest, learn new things, make new friends, and spend time on a college campus.

Students may enroll in one, two, or three classes per session. Classes meet for two hours daily, Monday through Thursday for two weeks at ICC East Peoria campus. Early Bird Club and Club CFK are also available for those wishing to extend their stay before and after class at College for Kids. On Fridays, we offer optional day-long field trips.

In an effort to ensure a positive experience for students and maintain high standard for safety, we do require attendance at one orientation. A parent or authorized adult must attend one orientation with their student.

For additional information and details, please refer to the CFK website at www.icc.edu/cfk or give us a call at 309-690-6900.

Thank you for sharing your children with us! We look forward to seeing you this summer!

Best Wishes,

The College for Kids Staff
Youth Programs, Illinois Central College
SAT Prep:
Illinois Central College offers an SAT Prep course that will help students prepare for the test. The SAT Prep course also helps students gain knowledge in what scores and subject tests are required for college admission and teaches test-taking strategies. SAT topics covered are reading, writing, and math.

Dates: April Session: Monday, April 22 (Introduction Night); Tuesdays and Thursdays, April 23-May 2
May Session: Monday May 20 (Introduction Night); Tuesdays and Thursdays, May 21-May 30

Price: $120 per session (including the SAT Introduction Night and book). To register, visit www.icc.edu/SATprep, call (309) 690-6900, or come to ICC Peoria-Hickory Hall, 5407 N. University Street.

ACT Review:
The ACT Review course consists of four 3-hour sessions. In addition, we ask that a parent or guardian, along with the student, attend the ACT Introductory Session. Each class covers a different subject that will be included on the ACT test: English, Math, Reading, and Science. The review class includes test-taking strategies and techniques, practice tests and helpful hints to prepare you for the ACT test.

Dates: May Session: Saturdays, May 4 (Introduction & English); May 11 (Math); May 18 (Reading); May 25 (Science)

Price: $120 per session (including the ACT Introduction class and book). To register, visit www.icc.edu/Actreview, call (309) 690-6900, or come to ICC Peoria-Hickory Hall, 5407 N. University Street.

CULINARY Camps
Culinary Camp is held in the professional kitchens in Dogwood Hall at ICC Peoria Campus. The weeklong course is taught by a professional chef, Charles Robertson, and includes all supplies. Advanced students will utilize tools they received in the beginner class and will also receive a boning knife.

Culinary Camp Beginners: June 10-14, 2019
ICC Peoria Campus, Dogwood Hall, 102
Grades 9-12
Monday-Friday
9:00 am-2:00 pm
Price: $425
Registration deadline: May 30, 2019
Students will learn basic knife skills, get a peek into the world of sauce making, and dabble in dessert making and presentation. Students will then put all the skills together to create a fabulous lunch to serve to family and friends.

Culinary Camp Advanced: June 24-28, 2019
ICC Peoria Campus, Dogwood Hall, 102
Grades 9-12
Monday-Friday
9:00 am-2:00 pm
Price: $359 (Must have taken Culinary Camp Beginners in 2016-2019)
Registration deadline: June 11, 2019
ICC Culinary Camp Advanced: Take the lessons you learned in Culinary Camp Beginners to the next level. Learn the art of making sausage. Make delicious breads and five-star desserts. On Friday, put it all together in a “Chopped” style competition between participants.

BEHIND THE CURTAIN - TECH THEATRE Camps
Grades 9-12
Monday, July 8-Thursday July 11, 2019
1:00 pm - 4:00 pm
$110 East Peoria Campus
This program provides a great opportunity for those who prefer to work behind-the-scenes. Students will work side-by-side with professionals in the world of technical theatre to create all aspects that bring a story to life onstage. Get experience in scenery construction and painting, stage lighting, sound mixing and editing. Students will learn, and have fun, while seeing their work and creativity come to life onstage when it is featured in a production of Fiddler on the Roof at ICC.

The program will be held at the Illinois Central College Performing Arts Center. The center is a state-of-the-art facility including a main house, stage catwalks, light and sound control booth, scene shop studio, 28-station makeup room, costume storage room, and costume construction room.
Adventures and More

A TASTE OF FUN
Rachel McGee
Grades 4-6
8:15-10:15 $85
10:30-12:30 $85
In this course, young girls and boys alike will get to satisfy their sweet tooth to the max. Students will have the opportunity to explore their creativity through making a variety of unique treats. They will have fun working in teams as well as individually.

AROUND THE WORLD
Heidi Bowman
Grades 4-9 1:10-3:10 $87
Have you ever wondered what your life would be like if you had been born in another country? What language would you speak? Where would you go to school? What games would you play? What foods would you eat? We are going to explore these questions in Around the World as we learn about a different country each day. On the last day we will host an International Fair where people can take a short journey “around the world” and see what we’ve learned.

BALLOON ARTISTRY FOR FUN - ADVANCED
Doug Smith
Grades 4-9 1:10-3:10 $90
Prior enrollment in Fun with Balloons class required. Still want to learn more about balloons, please join the advanced class. Join the “pop” culture by exploring the fun of balloon twisting and balloon sculpture. Learn the secrets of balloon art as a professional balloon artist shows you the advanced techniques of twisting balloons into various objects.

CRAZY ABOUT CHOCOLATE
Kate Kolowski
Grades 4-7 10:30-12:30 $80
Do you LOVE chocolate? Have you ever wondered about the history of chocolate? Join in the fun to create chocolate art, make your very own chocolate recipe book, and learn about the history behind chocolate. We will explore the process of how chocolate is made, do lots of taste-testing and much more during our time together!

DISNEY 101
Caitlyn Wendling
Grades 4-6 8:15-10:15 $80
Come learn all about the wonderful world of Disney from an avid Disney lover! During this class, students will be able to explore what makes this giant corporation so unique and special. Students will learn about the man, Walt Disney, himself and write their own biographies! Students will get the opportunity to explore the theme parks by using modern technology, cook up some famous Disney recipes, draw their favorite Disney characters, and become their own Disney travel agent by creating their own dream vacation. Come use your imagination and explore the magic!

IT’S MAGIC
Justin Hand
Grades 4-9 1:10 - 3:10
JULY ONLY $85
Want to become the world’s greatest magician or wizard? Come learn how to perform sleight-of-hand, vanishes, penetrations, and transports in this beginner’s magic class! We will use household items to perform astounding feats. You will also watch and learn the secrets of the greatest magicians in history. But remember, you must never tell anyone how it’s done!

SUMMER FUN UNPLUGGED
Kate Kolowski
Grades 4-7 1:10 - 3:10 $85
Boredom be gone! Come join in the course that will teach you how to make the most out of your summer! Let’s put our technology away for a bit and create our own fun by making tie-dye shirts, whipping up some simple recipes, experimenting with slime, fashioning your own beach bag, and playing lots of games with everyday objects you can find around your house.

TAKE Kwon Do
Justin Hand
Grades 4-9 1:10-3:10
JUNE ONLY $80
Kapow! If high-flying kicks in action movies excite you, this is the class for you. You will learn techniques and traditions of the most popular martial art in the world from a Master Black Belt. Learn confidence, respect, and discipline as you practice punching and kicking the bags. Tae Kwon Do will be taught as an art form, sport, and self-defense system. This will be a safe, no-contact environment. Wear loose-fitting pants and bring a water bottle.
**CODING WITH ETOYS**

*Cindy James*

**Grades 7-9**  
**10:30-12:30**  
**JUNE ONLY**  
$80

Are you a right-brain and left-brain person? Do you have a need to create and use your powers of logical thinking? Then this course is for you! Here you will learn the basic skills of computer programming. You will sketch your own worlds and elements. Then you will learn how to program their movements and actions just like the pros. You can also create animated storybooks. If you wish, your finished projects will be submitted to Etoys Illinois, a collaboration with the University of Illinois and Google, to be posted on the World Wide Web for all to view. An awesome experience awaits you!

**ROBOT REVOLUTION**

*Kim Martin*

**Grades 6-8**  
**8:15-10:15**  
**JULY ONLY**  
$95

**Grades 6-8**  
**10:30-12:30**  
**JULY ONLY**  
$95

**Grades 6-8**  
**1:10-3:10**  
**JULY ONLY**  
$95

Come join the fun in Robot Revolution! In this class, we will be discovering Lego Mindstorm NXT robots and the Ev3. From the basics of how motors and sensors work, to programming our robots to perform certain tasks, this class will have you learning STEM skills while having fun discovering how the robots function and operate.

**START FROM SCRATCH**

*Cindy James*

**Grades 4-6**  
**8:15-10:15**  
**JUNE ONLY**  
$80

Programming made easy is what SCRATCH is all about. SCRATCH is a dynamic programming language that allows students to create animations, games, interactive stories, music and art. Students will unleash their creative potential utilizing the programming tools that SCRATCH provides. SCRATCH is developed by the Lifelong Kindergarten Group at the MIT Media Lab.

**PYTHON PROGRAMMERS**

*Jason Carr*

**Grades 4-6**  
**8:15-10:15**  
**JUNE ONLY**  
$210

**Grades 7-9**  
**8:15-10:15**  
**JULY ONLY**  
$210

Want to learn the world’s fastest growing programming language favored by Google, NASA, YouTube, and the CIA? Learn how to code with Python to create engaging apps and games. Each lesson takes you step-by-step on a programming path that will let you challenge friends with fun content you create from start to finish! Students will work in pairs or teams for most of the program.

**VIRTUAL REALITY: THE FUTURE IS NOW**

*Jason Carr*

**Grades 7-9**  
**10:30-12:30**  
**JUNE ONLY**  
$220

**Grades 4-6**  
**10:30-12:30**  
**JULY ONLY**  
$220

Embark on an EPIC adventure in virtual reality! In this cutting edge class, you will learn the foundations of VR design by creating your own virtual worlds, exploring simulated environments, and crafting memorable 3D experiences. At the end of the week, take home your first cardboard VR headset to show friends and family the new worlds you created. VR projects can be viewed on a website or a mobile device. Students do not need a mobile device to take the class, but to use the VR headset at home, a camper will need access to an Android or Apple mobile device. Students will work in pairs or teams, and VR games will be available on a password-protected Black Rocket website to share with friends and family.

**INTERPERSONAL AND STUDY SKILLS**

**EXPERT DEBATER**

*Javiera Green*

**Grades 6-9**  
**1:10-3:10**  
**JUNE ONLY**  
$90

This class will introduce students to basic concepts of argument including ethos, pathos, and logical fallacies. Students will break apart arguments. Students analyze items every day. This class will help strengthen their analysis skills, which will help them throughout their schooling career, especially come SAT time.

**KIDS TODAY, LEADERS TOMORROW**

*Javiera Green*

**Grades 6-9**  
**1:10-3:10**  
**JUNE ONLY**  
$90

Students will learn about youth leaders, such as Malala and Emma Gonzalez, who are...
similar to them and helping change the world. Through our study, students will learn rhetorical analysis strategies that these leaders employ to persuade others to take a stand against issues such as violence in schools and ageism. Students will use learned strategies to create a project based on an issue that they care about.

LEADERSHIP TRAINING
Heidi Bowman
Grades 6-9 8:15-10:15 $80
This course is based on the book *The Seven Habits of Highly Effective Teens* by Sean Covey. Students will learn how to incorporate the seven habits into their lives and become better leaders in their schools and communities. While we have a lot of fun with role-playing and skits, this class is for students who have mastered classroom behavior and are curious to find out ways they can become their best selves.

PERFECT PLANNERS
Moriah Millburg
Grades 4-6 10:30-12:30 $85
Learning to become a “Perfect Planner” will be one of the best things you could do for yourself this summer! You will learn study skills, strategies, habits, attitudes, and self-awareness that will serve you through your middle school, high school, and college careers. We’ll practice goal-setting, time management, organization, memory, reading strategies, note-taking skills, test-taking skills, researching, writing, and reducing test anxiety. This class will help you be a more efficient student!

Language Arts
EXPRESS YOURSELF
Erin Pantages
Grades 6-9 1:10-3:10 $88
Don’t lose your writing skills over the summer! Come show your “write stuff” as you work on a variety of writing techniques. Students will have daily writers’ workshops as they create and perfect their skills. The instructor is a junior high English teacher, ready to create confident writers. Students will truly get to express themselves through creative writing techniques.

IMMERSE YOURSELF IN FRENCH
Rebecca Coover
Grades 4-6 8:15-10:15 $88
Students will learn a variety of French from the basics of alphabet, numbers and colors, as well as conversational French for dialogues. In this class we will watch a movie (in French, bien sûr) and work with several free, online foreign language learning tools. Each student will create a French journal to keep. Join us to learn about another language and culture in a fun, engaging setting.

PUBLIC SPEAKING
Lexi Zellmer
Grades 6-8 8:15-10:15 JULY ONLY $88
Want to join the school speech team? Would you enjoy learning tools you can use to feel confident for public speaking? This class is for you. Students will learn basic speech writing principles to construct well thought out, informative, and persuasive speeches based on a topic of their choosing. This course is an introduction to speech communication that emphasizes the practical skill of public speaking, including techniques to lessen speaker anxiety, and the use of visual aids to enhance speaker presentations. Choose your own topics and have fun!

Harry Potter
Erin Pantages
Grades 4-6 8:15-10:15 $80
Grades 7-9 10:30-12:30 $80
Come explore the world of Harry Potter with a critical eye. Take this opportunity to examine everyone’s favorite series, and see what makes this story a timeless epic. You’ll get to join the house that fits your personality, play games against your rivals, and conjure up spells that bring your magical fantasies to life.

THE PLAY’S THE THING
Rusty Koll
Grades 6-9 10:30-12:30 $90
All the world’s a stage—why not make the play your own? In this class, we will devise the idea for an original play, write, rehearse, and perform it, all in two weeks. Students in this class will learn what it takes to build a play from the ground up—we will create, collaborate, and perform together to put on the show of a lifetime!
THE WONDERFUL WORLD OF WRITING

Grades 4-5  1:10-3:10  $85
There are many types of writing:  poetry, fiction, narrative stories, and nonfiction. In this class we will explore each of these types of writing, and possibly more! Students will learn how to construct different writing genres, as well as how to improve their writing. Additionally, students will have the opportunity to type their writing on the computer and add illustrations. On the last day, students will be able to show off their hard work. Come and discover the joy of becoming an author!

MENTAL MATH
Kathryn Antonelli
Grades 6-9  8:15-10:15  $80
Amaze people with your math abilities! Make math class more understandable and save time on your homework. Learn simple techniques to start your journey to math mastery. Ditch your calculator and learn mental addition and subtraction, basic to intermediate multiplication, mental division, and the art of “guesstimation.”

There are many types of writing:  poetry, fiction, narrative stories, and nonfiction. In this class we will explore each of these types of writing, and possibly more! Cooking Up Some Math
Moriah Millburg
Grades 4-6  1:10-3:10  $80
Let’s use math tricks in the kitchen to create some treats. We will review fractions, conversions, multiplication, and division, and learn to read amazing math “recipes” (story problems). We will review these topics through an assortment of games and investigations. Near the end of this class, we will bring our math expertise to the kitchen to dabble with some delicious treats.

Math Scene Investigation
Jennifer Miller
Grades 7-9  10:30-12:30
JULY ONLY  $88
Do you like to investigate things? Think like a forensics expert in solving problems with math. Learn how to find the missing number in an equation, find the missing words in a story problem, and create graphs, charts and more. Learn how to use math to solve everyday mysteries both real and imagined. Join us as you become an MSI for CFK.

Mathematics

ALGEBRA AND ALL ITS EXCELLENCE
Jennifer Miller
Grades 4-7  8:15-10:15
JULY ONLY  $80
Have you always enjoyed Algebra and find you want to know more? We will take what you already know and have learned in school and use the concepts to work our way through complex math situations. You will work together with other algebra enthusiasts to solve complicated math problems and discover new ways to use math. Throughout this course, we will complete mini-projects on topics such as the true cost of smoking, calorie content in common foods, sports data, and so much more! If you love algebra, you will enjoy this course.

**NEW!**

**THE PRICE IS RIGHT!**

*Colby Spengler*

**Grades 6-9**  
**1:10-3:10**  
**$90**

Earn, Save, Spend! Money is an aspect of our lives, and it pays to know how to play the game. Part of buying fun items is learning how to earn and save for them. Whether you want to start learning how to invest or save for a new bike, personal finance can help you achieve these ideas. Students will learn how to reach profits, save, invest, and earn towards their financial goals. So start saving and spending with The Price is Right!

---

**CREATIVITY WORKSHOP**

*Christine Ewald*

**Grades 6-8**  
**1:10-3:10**  
**$92**

Invention! Innovation! Creativity! Whether you think you’re creative or not, everyone can benefit from learning a few new tricks to becoming a more creative person. Whether starting a business, painting a picture, or solving a problem through science, creativity is essential to every part of life. Explore creativity in various subjects and activities throughout the class including creative challenges that include some summer fun. It’s time to think outside the box at Creativity Workshop!

---

**ACTIN’ UP: IMPROVISATION**

*Rusty Koll*

**Grades 7-9**  
**8:15-10:15**  
**$83**

What is improvisation exactly? Improvisation is acting on your feet without a script. Think of this course as the new “SNL” or “Who’s Line is it Anyway” coming to CFK for the summer! Students will explore improv as an acting tool. You will also learn basic stage movement, pick small scenes and monologues to deliver, and learn the basic building blocks of acting. You don’t need to have acted before. You don’t need to know how to sing or dance (we will be performing non-musical pieces); you just need to be ready to “act up.”

---

**CREATING ART LIKE THE MASTERS**

*Kate Kolowski*

**Grades 4-7**  
**8:15-10:15**  
**$85**

From painting like Picasso to sculpting like Rodin, come tap into your creative side and explore the world of art! Each day we will focus on two artists and create a masterpiece using the type of media and technique that they used too. Some of the highlights include: mosaics, watercolor, sculpture, collages, and more!

---

**LET’S GET CRAFTY**

*Carrie Koll*

**Grades 4-9**  
**10:30-12:30**  
**$90**

In this class, you will create many different types of crafts that you can keep and make again and again for your friends. Crafts that you will make may include paper beads, a T-shirt bag, a chalkboard paint project, and many others.

---

**MIXED MEDIA DRAWING**

*Terry Spayer*

**Grades 4-6**  
**1:10-3:10**  
**$85**

Learn to draw with a “mixed media” flavor! Students will be introduced to techniques on how to use drawing mediums such as pastels, professional markers, and colored pencils. Students will produce original artworks and learn skills and techniques associated with a variety of art media. They will then develop their own work of art. Bring your enthusiasm!

---

**CUSING YOUR FEET - DANCE FOR ALL AGES**

*Jennifer Hand*

**Grades 4-9**  
**10:30-12:30**  
**$83**

This class is a perfect opportunity for boys and girls to expand their dance talent. No previous dance experience required! Participants will learn aspects of musical theater dance, contemporary dance, and jazz. Bring a labeled water bottle and wear comfortable clothing - no loose shorts, skirts, or bare midriff shirts. Dance shoes are optional. An informal presentation will be performed on the final day of the session. If time allows, the class will experiment with choreography exercises and assignments.
**THE ARTIST IN ME**

*Terry Spoyer*

**Grades 4-6  8:15-10:15 $85**

You’ve seen the “Paint Nights” that are sprouting all over Peoria. This class is like “Paint Night” for kids! Students will choose the object or theme that will be the focus of each project. They will also study the history of art and explore the artistic styles of several famous artists. You will use a variety of media to create your own portfolio of masterpieces. Get your palette and brush ready; the artist within you awaits!

---

**THEATER MANIA!**

*DiAnne Zellmer*

**Grades 4-6  10:30-12:30 $85**

Get in touch with your inner star by joining us for this beginning acting class. Gain poise and confidence as you learn how to prepare yourself for school play auditions as well as the speech team. You’ll love focusing on the many aspects of theater through skits, duets, monologues, pantomime, and improv. No experience necessary, just lots of comedy and drama!

---

**THERE’S NO BIZ LIKE SHOW BIZ!**

*DiAnne Zellmer*

**Grades 4-6  8:15-10:15 $90**

If you are interested in dancing, singing, acting and performing, this class is for you! You’ll love experiencing musical theater through fun games including the spontaneity of improvisation, the body movement of pantomime, basic musical theater choreography, as well as learning proper vocals while enjoying performance-based musical numbers. No experience necessary, just the desire to have fun, because everybody knows, “There’s no business like show business!”

---

**INVESTIGATIVE PHYSICS**

*Christine Ewald*

**Grades 6-10  10:30-12:30 $95**

This class includes fun hands-on activities while learning the basics of physics. Topics of the course include speed, velocity, acceleration, gravity, waves, sound, and electricity. All of these topics will tie into real-life scenarios such as discussing roller coasters at Six Flags, the physics of sports, and the physics of music.

---

**GENIUS GENETICS**

*Kathryn Antonelli*

**Grades 6-9  10:30-12:30 $85**

Why do people in your family look kind of like you, but not exactly? The answer is in your genes! New discoveries are being made in genetics all the time - so it’s time to learn about this important field of science. Fun activities will help you learn about DNA, inheritance, and family resemblances.

Participants will make a simple DNA model using edible ingredients, extract real DNA from fruit, create an alien creature based on its genetics, and model the idea of the “survival of the fittest” with candy beetles battling one another.

---

**IRRESISTIBLE SCIENCE EXPERIMENTS**

*Carrie Koll*

**Grades 4-6  8:15-10:15 $85**

In this class, you will work with many types of ingredients and conduct experiments. You will learn the scientific method and conduct experiments using the method. Some of the experiments include walking rainbow, slime, magic sand, and making a volcano.

---

**OUTSIDE EXPLORATION**

*Colby Spengler*

**Grades 6-9  8:15-10:15 $90**

Want to learn about the outdoors? Become an environmental explorer! You will learn about Illinois habitats and the interactions with mammals, birds, insects, forestry, and more. You will be able to conduct experiments that test environmental conditions and learn wilderness survival skills. We will learn both in the classroom and outside on the trails in nature for an exciting experience!
Psychology
Katie Janovetz
Grades 7-9  10:30-12:30
JUNE ONLY $90
Grades 4-6  1:10-3:10
JUNE ONLY $90

Why do people behave the way they do? Why do people pick the careers that they do? Is it possible to “train” your brain? Psychology is the study of the human mind and behavior. In this class, you will study the things inside and outside the brain that make people behave the way they do. You will even do some of your own research to discover the patterns of human behavior.

Summer S.T.E.A.M.
Heat (Science, Technology, Engineering, Art, and Math)
Jennifer Miller
Grades 6-9  1:10-3:10
JULY ONLY $85

The heat of the summer will set students’ minds on fire with this hands-on learning experience. S.T.E.A.M. programs are designed to integrate science, technology, engineering, mathematics, and the arts in the classroom. These programs strive to encourage students to think critically and work towards solving real-world problems while building on math and science knowledge.

Wizardry Chemistry
Kathryn Antonelli
Grades 5-8  1:10-3:10 $88
For Harry Potter fans! Make a magic wand, go through a sorting ceremony and figure out your Patronus (protective animal). Create mystical parchment for special spells and concoct potions like a wizard! Class will be based on Harry Potter magic, with a little bit of science thrown in. Potions will be made from safe, household ingredients. Let your wizard wannabe learn while they explore the world of Harry and Hermione.

Be a Lifesaver
The world of a lifesaver can be a very exciting and interesting place! Join Illinois Central College Health Careers professionals for an exciting week full of hands-on activities, discovering numerous career opportunities available within the healthcare field.

- Visualize the inner body and skeleton with x-rays; explore the exciting world of Emergency Medical Services, learning to save a life through care at the scene of an emergency; experience the challenges of helping your body to relearn how to move in physical therapy.

- Use your senses as you scrub into surgery, get into the surgical gown and mask and prepare the patient for surgery; look into the world of blood cells and microorganisms with a microscope; learn how to take a pulse, what the heart sounds like and how we breathe.

- Smell smoke as you crawl through a simulated home and learn how to fight fire and save lives.

- Learn how all the health careers intersect in an emergency with police, fire, paramedics, laboratory staff, doctors, nurses, and others all working together to save lives in a simulated hospital.

- On Friday afternoon you will use your new skills to play a role in Peoria ER, where a mock mini disaster or accident will occur. Your parents will be invited.

Your week as a lifesaver will include CPR training and practice providing First Aid so you can care for your friends and family. We will take you on a field trip to a fire station and provide five days of lunches. A menu will be provided and special dietary needs can be met with advance notice at time of registration.

June 24-28, 2019  8:00 a.m. to 3:45 p.m.
Peoria Campus – 5407 N University, Peoria, IL, Cedar Hall

Grades 4-6  Price: $205
Optional aftercare available from 3:45 p.m. to 5:00 p.m.  Price: $55
FIELD TRIPS

ROAD TRIP ART: A HANDS-ON, INTERACTIVE VISIT TO THE PEORIA ART GUILD
Friday, June 14
Grades 4-9
8:30 a.m. - 2:30 p.m. $75
For over 135 years, the Peoria Art Guild has been dedicated to “Bringing art to the community and the community to art.” As a visual arts leader, the Art Guild takes pride in the organization’s efforts to educate young artists, showcase art diversity, exhibit multidisciplinary contemporary art, and promote art throughout the community. College for Kids will spend the day learning and exploring the visual arts with local resident artists. Students will participate in a variety of art stations in which they will work through ceramics and other forms of art that are showcased and promoted through the guild. This is a unique partnership that has been established through the Peoria Art Guild and the Youth Programs division at Illinois Central College.

CHALLENGER LEARNING CENTER AT HEARTLAND COMMUNITY COLLEGE
Friday, June 21
Grades 4-9
8:30 a.m. - 2:30 p.m. $85
Not many people can say they have discovered a comet or traveled to Mars and then back to Earth in time for lunch. Join us for a unique and exciting hands-on trip at the Challenger Learning Center where we will rendezvous with a comet. You will be part of the space station crew and work with mission control to rendezvous with Comet Encke. You must determine a rendezvous point with the comet, conduct science experiments, and launch a probe into the comet’s tail before the launch window closes. Mars Science Academy – plan a mission to Mars. Conduct hands-on science experiments that prepare your crew to land on Mars. Investigate different Martian landing sites and pick the best one for your crew. Learn how NASA is preparing to send humans to Mars.

HORSEBACK RIDING AT THE ROCKIN’ P RANCH
Friday, July 12
Grades 4-9
8:30 a.m. - 2:30 p.m. $80
Join us at Rockin’ P Ranch in Pekin for some horseback riding. Learn about horseback riding safety, ride a horse along a trail, and enjoy your time in the beautiful outdoors. All riders must be age 8 or older. Helmets are mandatory for children who ride. The ranch can provide helmets at no charge or riders can bring their own. Liability waivers must be completed and signed by parents/guardians for all children before the trip. It is recommended that riders wear long pants and a heeled shoe or boot. Absolutely NO flip-flops are allowed on rides. Also, please make sure to bring water for breaks and please bring a sack lunch from home for this trip. Don’t miss this opportunity to experience the great outdoors on horseback!

PEORIA ESCAPETOWN & ELEVATE TRAMPOLINE PARK
Friday, July 19
Grades 4-9
8:30 a.m. - 2:30 p.m. $95
Grab your friends and take on the challenge to escape! Escapetown Peoria is a real-life puzzle game with a series of clues and locks. Teams will attempt to solve the puzzles and advance through and eventually escape from the room, all within a 60-minute time limit. Teams can experience “Wild West Jailbreak,” “Medical Mystery,” or “Storm Grove Mansion.”

Elevate Trampoline Park, an indoor activity center, provides exciting and safe forms for entertainment and exercise for jumpers of all ages. It is the coolest, extreme recreation park in Peoria! The park is covered wall-to-wall in trampolines. Jump, twist, spin, and flip into the massive foam pits located all over the park, get your friends together for an epic battle on the half-pipe trampoline dodgeball court, dunk like the pros on one of our basketball hoops, test out your ninja skills on our ninja warrior course, and more!

Drop-off at the CFK tent no earlier than 8:30 a.m. The ICC Cougar Bus departs at 8:45 a.m. and will return by 2:30 p.m. All students registered for Friday Field Trips MUST ride from the East Peoria campus to and from the field trip location. This is necessary for the safety of our students. Students will be supervised at all times. Parents must be able to pick up their children from the CFK tent by 2:30 p.m. Students must bring a sack lunch and a drink.

Space is limited for all Friday Field Trips, so make sure you register early!

Behind the Curtain-Tech Theatre
7/8-7/11 1PM-4PM
REGISTRATION
Registration opens Monday, March 11. Registration will close at 10:30 a.m. on Saturday, June 8 for Session 1 and at 10:30 a.m. on Saturday, July 6 for Session 2.

OPTION A:
Orientation with Campus Tour - recommended for those new to College for Kids.

Session 1:
Saturday, June 8, 9:00 a.m. - 10:30 a.m.
Location: ICC Cafeteria

Session 2:
Saturday, July 6, 9:00 a.m. - 10:30 a.m.
Location: The Performing Arts Center

* Students enrolled in Session 1 classes need to attend the June Orientation and students enrolled in Session 2 classes need to attend the July Orientation. Students enrolled in both sessions only need to attend the June Orientation.

OPTION B:
Orientation - No Campus Tour - attend the session that begins before your first class of the day.
Location: The Performing Arts Center

Monday, June 10, 2019 & Monday, July 8, 2019
8:15 a.m. Class
Orientation: 7:30 a.m. - 8:00 a.m.

10:30 a.m. Class
Orientation: 9:45 a.m. - 10:15 a.m.

1:10 p.m. Class
Orientation: 12:30 p.m. - 1:00 p.m.

What to bring: A copy of your class schedule, completed Emergency Medical and Assumption of Liability release forms. Classroom numbers will be provided at orientation.

PARKING LOT B IS THE ONLY DROP-OFF/PICK-UP LOCATION FOR CFK

Drop-off: CFK tent in Parking Lot B no earlier than 15 minutes before your first class. Late arrivals – Parents must escort your student to the CFK Homeroom to receive a pink attendance slip. Late students will not be allowed into their classroom without an attendance slip.

DO NOT SEND LATE STUDENTS TO CLASS ALONE.

Pick-up: CFK tent immediately after the student’s last class of the day. Students waiting more than 15 minutes after class dismissal will be escorted to the CFK Homeroom. Parents will be required to come to the CFK Homeroom to sign out your student.

Please note that these procedures are for the safety of our students.

EARLY BIRD CLUB
Parents need to get to work early in the morning?
Come join us at Early Bird Club with games, arts, crafts, computers and more! Meet in the computer lab in the morning. A parent or other authorized adult MUST escort student to the Technology Center and sign in with CFK staff member. Parents can park at ICC Visitor’s Lot, located on the side of the Technology Center building. Students will go to their first class after Early Bird Club.

Grades 4-9
7:15 am - 8:15 a.m. Session 1 $45
7:15 am - 8:15 a.m. Session 2 $45

CLUB CFK
Need more College for Kids? Want to extend your fun?
Come join us at Club CFK with games, computers, snacks, and more! Meet in the Tranquility Room immediately following your last class of the day. Students will be picked up at Parking Lot B after Club CFK. If students need to be picked up earlier than 5:00 pm, a parent or other authorized adult MUST sign out student at ICC Technology Center with CFK staff member. Parents can park at ICC Visitor’s Lot, located on the side of the Technology Center building.

Grades 4-9
3:15 p.m. - 5:00 p.m. Session 1 $75
3:15 p.m. - 5:00 p.m. Session 2 $75
3 WAYS TO REGISTER/CONTACT US

1) Online at www.icc.edu/cfk
2) By phone at 309-690-6900
3) Walk-in at ICC Peoria Campus, Hickory Hall, 5407 N University, Peoria. Our office hours are: Monday through Thursday, 8:00 a.m. to 6:00 pm, Friday, 8:00 a.m. to 4:00 p.m., and Saturday, 8:00 a.m. to 10:00 a.m.

Important Registration Notes:
Please read before registering your child.

1) Make sure to register with your child's name.
2) You can only register one child at a time, and each child must have their own profile. This means that you will have to pay separately for each child.
3) Please provide a valid email when registering. A confirmation receipt will be emailed when your registration has been processed and full payment is received. Your receipt will include a link to the required College for Kids forms.
4) Print and complete the Emergency Medical form and Assumption of Liability Release. Return completed forms when you attend orientation. Additional forms may be printed from our website at www.icc.edu/cfk

LUNCH

Campus Dining does its best to provide nutritionally appropriate meals for our College for Kids students. All College for Kids students eat lunch together in our Tranquility Room adjacent to the main Campus Dining location. Specials of the day are listed at www.icc.edu/around-campus/campus-dining.

LUNCH PAYMENT OPTIONS

CFK Cash – You choose the amount to put on the card. The student uses the card to purchase their own lunch from Campus Dining. This is a great way to help your child learn to budget their own lunch money. More information about CFK Cash will be provided during the orientations. Once you have purchased a card, you can add money to the card online at any time.

Once you receive the card, you can deposit additional funds online at icc.edu/cafe_cash. The card number is required (it is on the back of the card) for online deposits. Can’t find your card or need one? Then you may purchase one at any time by visiting any of the Campus Dining locations. Just ask for a card for College for Kids; cash, checks, or credit cards are accepted for in-person purchases.

Bring your own lunch - Your student will be responsible for keeping track of their own lunch. Your child will not have access to a refrigerator or a lunch collection bin/system.

Note: Campus Dining will not sell energy drinks to College for Kids students in its lunch room, and we strongly recommend that students do not bring these drinks in or purchase them through our vending machines while attending College for Kids.

REFUNDS AND CANCELLATIONS

Refunds will not be issued after the deadline dates listed: Session 1 - May 31, Session 2 - June 28. Requests may be made by phone at 309-690-6900. College for Kids reserves the right to cancel a class due to low enrollment. Students enrolled in a class that is canceled will be offered an alternative class or the option of a full refund.

SCHOLARSHIPS

Limited scholarships are provided by the ICC Educational Foundation. The scholarship amount is $70 per class with a maximum of two scholarships per child, not to exceed a $140 total. Limit of four scholarships awarded per family, not to exceed $280 total. Additional classes will be charged at full price. Early Bird Club, Club CFK and Friday Field Trips do not qualify for scholarships. Scholarships are awarded on a first-come, first-serve basis and are subject to availability of funds and verification of financial need.

The scholarship application is available online at www.icc.edu/cfk or call 309-690-6916 for additional information. Do not register online if you are requesting a scholarship. Call 309-690-6900 to register after you have been notified of your scholarship award.

ATTENDANCE

Attendance will be taken at the start of each class period. Absences or late arrivals must be called in to the CFK Homeroom at 309-694-8880. If you arrive more than 15 minutes after class begins, you must escort your child to the CFK Homeroom. Students will receive a pink attendance slip that will be given to the instructor. CFK staff will escort student to the classroom. Late arrivals will not be allowed into the classroom without an attendance slip. Accurate attendance is important for the safety of our students. The location of the CFK Homeroom will be given out during the orientations.

DISCIPLINE POLICY

Appropriate and respectful behaviors are expected while attending CFK. Students that do not uphold these expectations will be escorted to the CFK Homeroom. It will be the student’s responsibility to contact their adult caregiver to explain why they were removed from class. Students will be allowed to return to class when they are able to agree to improved behavior. Continued disruptions may result in the student’s permanent dismissal from College for Kids with no refund given. Illinois Central College has a ZERO TOLERANCE policy in that no weapons (i.e. knives, guns of any kind, etc.) are allowed on campus. Any student choosing not to abide by the rules and regulations of Illinois Central College will not be allowed to return to College for Kids. These policies help ensure the safety of our students and staff.

DIVERSITY POLICY

Illinois Central College stands committed to diversity in all of its dimensions. The college embraces, values, and encourages diversity at all levels of its operation. The college stands for tolerance, non-discrimination, and cultural sensitivity.
Accessible Parking: License Plate or Placard Required – Lot V

General Parking: Lots V & A

Note: ICC road system is based upon one-way traffic traveling counterclockwise around campus
